Asian Religions A Cultural Perspective Buch:

Asian Religions Randall L. Nadeau, 2014-01-28 ASIAN RELIGIONS A unique introduction to Asian religions combining the scholarly rigor of an established historian of Asian religions with the willingness to engage empathetically with the traditions and to suggest that readers do the same Joseph A Adler Kenyon College Randall L Nadeau has accomplished what only a few have tried but which has been much needed in the study of religions He has written a genuinely novel approach to the religions of Asia This is a work that should find its way into Asian humanities history religion and civilization courses Ronnie Littlejohn Belmont University This all embracing introduction to Asian religious practices and beliefs takes a unique approach not only does it provide a complete overview of the basic tenets of the major Asian religions but it also demonstrates how Asian spiritualities are lived and practiced exploring the meaning and significance they hold for believers In a series of engaging and lively chapters the book explores the beliefs and practices of Confucianism Taoism Hinduism Buddhism and Japanese religions including Shint Using a comparative approach it highlights the contrasts between Asian and Western modes of thinking and living and debates the influence of religion on real world issues including work economic growth the environment human rights and gender relations Nadeau a leading figure in this field takes an empathetic approach to Asian religious and cultural traditions and considers Asian spiritualities to be viable systems of belief for today s global citizens Integrating exercises activities and an appealing mixture of examples such as novels and biographies this refreshing book leads readers to an enhanced understanding of the ideas and practice of Asian religions and of their continuing relevance today *Asian Religions* ,1982 [Speculative Orientalism: Asian Religions in New Wave Science Fiction](#)

Sang-Keun Yoo, 2025-08-21 Examining the works of prominent New Wave science fiction authors from the 1950 1960s Sang Keun Yoo highlights the underexplored connection between American science fiction and Asian religions such as Taoism Buddhism and Hinduism The book considers how the major world wars of the 20th century Second World War the Cold War and the Vietnam War repositioned Asian culture in relation to the science fiction genre in the period Underpinning this study Sang Keun Yoo argues that Speculative Orientalism emerged in American science fiction during the 1950s and 60s This concept adopted various aspects of Asian religions to envision alternative worlds unburdened by the constraints of colonialism totalitarianism racism and sexism present in contemporary American society Bringing fresh perspectives to the works of William S Burroughs Philip K Dick Ursula K Le Guin and Samuel R Delany this book offers an insightful examination of the role of Asian religions in American science fiction and their impact on the genre s history **Colonial**

Transformation and Asian Religions in Modern History David W. Kim, 2018-10-12 The localisation of a region group or culture was a common social phenomenon in pre modern Asia but global colonialism began to affect the lifestyle of local people What was the political condition of the relationship between insiders and outsiders The impact of colonial authorities over religious communities has not received significant attention even though the Asian continent is the home of many

religions including Hinduism Buddhism Confucianism Taoism Islam Shintoism and Shamanism Colonial Transformation and Asian Religions in Modern History presents multi angled perspectives of socio religious transition It uses the cultural religiosity of the Asian people as a lens through which readers can re examine the concepts of imperialism religious syncretism and modernisation The contributors interpret the growth of new religions as another facet of counter colonialism This new approach offers significant insight into comprehending the practical agony and sorrow of regional people throughout Asian history

The Other in South Asian Religion, Literature and Film Diana Dimitrova,2014-01-10 This book introduces the term otherism and looks at the discourse of otherism and the issue of otherness in South Asian religion literature and film It examines cultural questions related to the human condition of being the other of the process of othering and of the representation of otherness and its religious cultural and ideological implications The book applies the perspectives of ideological criticism theories of hybridity orientalism nationalism and gender and queer studies to gain new insights into the literature film and culture of South Asia It looks at the different ways of interpreting otherness today The book goes on to analyze the ideological implications of the creation of otherness with regard to religious and cultural identity and the legitimation of power as well as how the representation of otherness reflects the power structures of contemporary societies in South Asia Offering a well thought out reflection on important cultural questions as well as a deep insight into the study of religion and otherness in South Asian literature and film this book is a pioneering project that is of interest to scholars of South Asian Studies and South Asian religions literatures and cultures

Asian Perspectives on the World's Religions after September 11 Arvind Sharma,Madhu Khanna,2013-02-15 This book offers a unique perspective on September 11 and our world after this tragic event sharing lessons from an Asian religious experience that can help heal a world troubled by religious conflicts and deepening divisions and promote a positive global transformation Existing literature regarding the events of September 11 and our world afterward has focused mostly on the West and the Middle East Asian Perspectives on the World s Religions after September 11 extends this discussion to include Asia a continent and culture far too important to be ignored in any assessment of the global impact of this event The book is organized along the following themes as they emerged post September 11th religion and civilizational dialogue religion conflict and peace religion and human rights religion and ethics religion and the arts religion hermeneutics and literature religion and gender religion and ecology and religion and globalization Individuals who are studying or teaching political science international relations philosophy ethics Asian studies or religious studies will find the text invaluable while general readers will appreciate the largely unvoiced Asian perspective on this topic

Globalizing Asian Religions Wendy Smith,Hirochika Nakamaki,Louella Matsunaga,Tamasin Ramsay,2025-10-01 This book brings together the insights of theories of management and marketing to give an original view of the organizational dynamics of globalizing Asian New Religious Movements NRMs and established religions Seventeen authors in this collection have recast their data on individual Asian religions and social movements to

focus on the way these organizations are managed in an overseas or global context by examining the structure organizational culture management style leadership principles and marketing strategies of the religious movements they had hitherto studied from the perspective of the sociology of religion or religious studies The book examines strategies for global proselytization and outcomes in a variety of local ethnographic contexts thus contributing to the scholarly work on the glocalization of religions
