Authentic leadership: the key to

Building trust

Personal integrity in leaders is one of the foundations for building trust. Research with RAF officers has helped to define the behaviours associated with 'authentic leadership' - and points to the need for a different emphasis in management and leadership development

o anyone who cares to look, whether they are HR professionals or not, it's obvious that there is a crisis in leadership. The Ipsos MORI survey on trust in 2011 showed that only 29 per cent of people believe business leaders can be

trusted to tell the truth, while the most recent DDI Global Leadership Forecast has found that UK HR practitioners are sorely disappointed with the people who lead them. Only 18 per cent report high quality leadership within their organisations, identifying a staggering 39 per cent failure rate of external leadership appointments and a 28 per cent failure rate of internal appointments. Boards and the HR function need to do something differently, and to begin to do it now, if they are to address this

Effectiveness Tineke Wulffers,2017 **An Evidence-based Approach to Authentic Leadership Development** Tony
Fusco,2018-01-12 This book presents the first evidence based approach to Authentic Leadership Development It is based on
a group coaching format that brings together small groups of leaders to discuss personally significant leadership issues
generally not explored in usual leadership development such as the influence of their personal histories the impact of their
psychological make up and the ambitions for their future leadership The book starts with an overview of the idea of
authenticity and its philosophical roots and explains how this informs the past present future group coaching approach to
Authentic Leadership Development It presents statistical and conceptual evidence of the program s efficacy and explores
how the social processes at work within the group positively impact and develop the leader s self concept and the benefits
this brings Importantly it also details exactly how the leader changes and grows as a result of the group coaching and the
positive ways in which this benefits their leadership role and the organisations they work in Finally it questions the notion of
ethics and morals in Authentic Leadership and critically re appraises the idea of leadership development evaluation Authentic
Leadership Development group coaching has been shown to develop leaders that are conscious competent confident and
congruent and as the qualitative analysis presented in the book illustrates these 4 over arching categories are made up of 7
further key leadership attributes that are developed which include an enhanced Strategic Orientation increased Confidence
and Clarity and greater Management Mindfulness among others The book also features personal vignettes throughout which
illustrate how individual leaders have effectively applied these newly developed attributes in their leadership roles An
Evidence based Approach to Authentic Leadership Development represents essential reading for leaders who want to engage
