Smither, 2012-07-20 From a mission field to a missions sender These words capture the story of the Brazilian evangelical church which has gone from receiving missionaries in the nineteenth and twentieth centuries to becoming a movement that presently sends out more global laborers than the churches of England or Canada do After narrating Brazil s missional shift in this volume Smither addresses one fascinating element of the story Brazilian evangelical efforts in the Arab world How have Brazilians adapted culturally among Arabs how have they approached ministry and how have they cultivated a theology of mission in the process Brazilian Evangelical Missions in the Arab World gives the reader insights from one emerging missions movement with an eye toward a more comprehensive view of the global church
Missions Gailyn Van Rheen, 2014-07-22 In a rapidly changing world the central missionary vision of the church must be constantly renewed lest its foundations become lost in the confusion of change or its practices trapped in missionary

models of the past In this second edition of *Missions* long time missionary Gailyn Van Rheenen revises and updates his classic text on Christian missions laying sound theological and strategic foundations for the missionary of today and tomorrow Van Rheenen helps renew the missionary vision by discussing areas such as The history of Christian mission and how it affects where we are today Spiritual formation for God s mission The missionary cycle Cross cultural communication The character and calling of missionaries Types of missionaries Church maturation Selecting mission fields The role of money in missions Four levels of involvement in missions But *Missions* is more than blackboard theory Written by a long time missionary it carries the conviction and insights of one who has lived his subject Accessible to students practitioners and laypeople alike *Missions* provides a primary go to resource for understanding and becoming involved in the dynamic activity of world missions

Mission in Motion Jay Matenga, Malcolm Gold, 2016-08-25 Never before has the phenomenon of mission mobilization been so broadly researched In a vein similar to *Too Valuable To Lose* and *Worth Keeping* the World Evangelical Alliance Mission Commission commissioned a research team to investigate what motivates people into mission service from around the globe Mobilization practitioners recorded translated and transcribed hundreds of hours of interview dialogue that explored reasons for mission involvement from Eastern Europe Western Europe North and South America Oceania East Asia South Asia and East Africa The data was subsequently analyzed to draw out common themes and *Mission In Motion* presents the results of this research This book is the first definitive exploration of the recent history ministries and methods of mission mobilization The evangelical missions community is expending much energy and resource trying to raise up workers for the Lord s harvest but is it helping Are the means models methods and mechanisms being applied to this end effective What does influence people to greater involvement in mission whatever they understand mission to be Furthermore what hinders it In addressing these questions *Mission In Motion* allows the interviewed respondents to speak for themselves in an open and frank manner Some results confirm common beliefs but others may surprise you

The Mission of God and You Lori McDaniel, 2023 You Have a Purpose God Has a Part for You to Play in Something Big You were created by God called to follow Christ and commissioned to make disciples When Jesus gave this commission it wasn t a last minute thought before he ascended into heaven It was a mandate for all his followers to participate in a movement of God already in motion What is God s will for my life Where does my life fit into God s purpose If the idea that you have a purpose and mission feels daunting keep in mind that you cannot mess up the story of what God is doing But you can miss out on being a part of it *The Mission of God and You* will expand your missional view of the Bible and your biblical view of the world You ll traverse the globe and grasp the urgency of our mission You ll hear the stories of a great cloud of witnesses both past and present and gain perspective on how God has worked and is working You ll be challenged to leverage every season of your life to advance the gospel to the ends of the earth Don t wait God is inviting you to participate in the most significant movement the world has
