If you are on Facebook, you know how flooded it is with scanners (the scary ones). There are many Anti Scanner groups, but this is the best one we found for Support and Education on how to spot a scanner profile and get profiles removed. Help is support for you. Don't feel alone. We highly recommend this group and there is only one requirement to join. If your profile cannot be doing with no picture and information on it your friends list is hidden, once you request to join, you will be contacted by the Admin or Moderators to temporarily open your friends list so they can check to make sure you have no scanners on it.
