Miller,2024-07-23 *Redacted* examines the evolution of the ministry of deliverance tracing its roots from the Gospels to the twentieth century This in depth exploration reveals the contours of Jesus and the apostles ministry and how their practices influenced the fervent exorcisms of the pre Nicene Church igniting widespread revival From there *Redacted* follows the decline of exorcism from the fourth to the eleventh centuries where it almost entirely disappears When it is brought back during the High Middle Ages the practice takes on a highly ritualized form that departs from the Apostolic model The Reformation saw exorcism s contentious duality between charismatic and ritual forms before they were both entirely snuffed out with Protestantism Yet the twentieth century witnessed its resurgence beginning at Azusa St and growing within the Charismatic movement *Redacted* identifies the historical connection between deliverance and revival and makes the case that deliverance ministry is essential for revival today **Pigs in the Parlour** Frank Hammond,Ida Mae Hammond,1992-09 **Binding the Strongman with the Keys of the Kingdom** Frank Hammond,2022-10-31 From the Author of *Pigs in the Parlor* A Practical Guide to Deliverance Two Armies are Better than One There are strongmen in the demonic kingdom ruler spirits over individuals families cities and nations Scripture reveals that there are also Godly angelic rulers assigned over every family and nation God has an army He is the Lord of Hosts the Lord of Armies In Daniel 10 the command was issued for Michael to fight against the strongman holding the people of Israel in bondage He came against the prince of Persia so that God s people might be set free and return to their homeland Before this event ever took place on earth it was accomplished first in the Heavenly realm The powers of the demonic princes were broken by the angelic forces of the hosts of God and it set the people of God free In this teaching Frank Hammond explains that Jesus said it is now His Church that is now going to come against the rulers of the Satanic kingdom In the Old Testament there was just one army the angels who were called upon to fight spiritual battles But now we read in Ephesians 6 that we as believers wrestle against powers and principalities God now has two armies a heavenly one angels and an earthly one believers We join together with the angels in doing battle in the name of the Lord of Hosts against the demonic strongmen over families churches cities and nations **Charisma and Christian Life** ,2004-07 **African Christianity** Paul Gifford,1999 **LARGE PRINT - Pigs in the Parlor** Frank Hammond,Ida M. the frequent and varied experiences of spirit possession and sex with demons that constitute a vital part of Pentecostal deliverance ministries offering insight into these practices assembled from long term ethnographic engagement with four churches in Accra the capital of Ghana Relying on the uniqueness of the Pentecostal sensorium this book unravels how spirits and sexuality intimately combine to expand the definition of the body beyond its fleshy boundaries Demons are a knowledge regime one that shapes how Pentecostals think about engage with and construct the cosmos Deliverance Pentecostals reiterate and tarry with the demonic especially sexually as a realm of invention whereby alternative ways of being sensing and having sex are dreamed practiced and performed Ultimately Homewood argues for a distinction between colonial demonization and decolonial demons charting another path to understanding being the body and sexualities The Most Dangerous Game Don Basham, Dick Leggatt, 1974
