

**“There are some other considerations
that I haven’t talked about.”**

Directions: Read the short story and select *one* character. Describe the story, focusing on specific events. Analyze the character's appearance as a literary character. Explain the significance of your analysis. Use specific evidence to support your analysis.

† The average growth rate is a crude approximation for the rate of change of output. When the growth rate is negative, the rate of change is negative.

12. *What conclusions can you draw from the above analysis for the design of a new system? Do you agree with the conclusions? Do you have any recommendations for improvement? Do you have any other comments, ideas, or suggestions?*

8. **State what strength and thought/idea you're developing together and create a feedback loop for that.** (How do you know you're making what you're doing? What feedback do you need? What feedback do you have? What feedback do you want?)

8. Revised the paragraph beginning with "The construction team..." to read: "The construction team..."
