Life Cycle of Sustainable Packaging Rafael A. Auras, Susan E. M. Selke, 2022-10-11 *Life Cycle of Sustainable Packaging* An expert review of packaging's role in sustainability and the environment In *Life Cycle of Sustainable Packaging From Design to End of Life* a team of distinguished researchers delivers an authoritative and accessible explanation of the role played by packaging in sustainable development and the circular economy The book offers expansive coverage of every aspect of the packaging life cycle from design to management and end of life It is a holistic and integrated evaluation of packaging's environmental footprint The authors show students and readers how to incorporate design and life cycle concepts into the development of sustainable packaging materials and help them understand critical background information about pollution and risk management They also provide readers with learning objectives and self study questions for each chapter that help them retain and understand the ideas discussed in the book Readers will also find A thorough introduction to the role of packaging in sustainable development An in depth examination of design thinking in the packaging design process including the five stages of design thinking and innovation tools Comprehensive discussions of pollution and risk management as well as soil water and air pollution Expansive treatments of global climate change life cycle assessment and municipal solid waste Perfect for undergraduate and graduate students learning about sustainability and packaging *Life Cycle of Sustainable Packaging From Design to End of Life* will earn a place in the libraries of chemical biochemical plastics materials science and packaging engineers

Plastics and Environmental Sustainability Anthony L. Andrady, 2015-02-13 Surveys the issues typically raised in discussions of sustainability and plastics Discusses current issues not covered in detail previously such as ocean litter migration of additives into food products and the recovery of plastics Covers post consumer fate of plastics on land and in the oceans highlighting the environmental impacts of disposal methods Details toxicity of plastics particularly as it applies to human health Presents a clear analysis of the key plastic related issues including numerous citations of the research base that supports and contradicts the popularly held notions The Handbook of Persuasion and Social Marketing David W. Stewart, 2014-12-17 This timely set traces the evolution of social marketing from its deep roots in psychology religion and politics to its current role as an influencer of societal and behavioral change Few realize that the methods behind the social marketing discipline are not new but are based on traditional sales techniques reengineered to advocate social responsibility Since emerging the movement has prompted a rapid change in how we communicate and what we say Funding from government agencies foundations and organizations like the National Cancer Institute and the American Heart Association have prompted campaigns that promote healthy behaviors and deter unhealthy actions In this three volume set a panel of experts take an unprecedented look at this marketing phenomena as a means of influencing behaviors that benefit individuals and society overall This comprehensive collection examines the role of persuasion in a marketing context The book's central theme is woven throughout each of the three volumes volume one

focuses on the conceptual and philosophical foundations of the trend the second part addresses its theoretical and strategic dimensions and the final section discusses applications to specific societal issues like personal public and environmental caretaking disease prevention good nutrition and safe sex Chapters address campaign planning regulatory and compliance issues and the measurement of outcomes *Plastics--waste Management Alternatives* ,1992 *Proceedings of ... National Waste Processing Conference* ,1996 *Packaging* ,1994-06 **Public Hearing Before Senate Energy and Environment Committee** New Jersey. Legislature. Senate. Committee on Energy and Environment,1989 **Papers and Discussions Presented [at The] Annual Conference** Michigan Natural Resources Council,1972 **Beverage Industry Annual Manual** ,1987 **Proceedings of the 1st National Conference of the School of Environmental Technology, Federal University of Technology, Minna** Federal University of Technology, Minna (Nigeria).
