Pentecostal ecclesiology in the new adaptation era: The case of the Bethel Church of Indonesia

ABSTRACT

The Synod of the Gereja Bethel Indonesia/GBI (Bethel Church of Indonesia) is Indonesia's largest Protestant and Pentecostal denomination, with over 7,000 local churches and nearly three million church members. It is, therefore, significant to discuss this church. Over the past three years, the COVID-19 pandemic has forced churches worldwide to adjust to the off-site system of worship and ministry. The pandemic also led to the speedy acceleration of digital technology. Consequently, it called for redefining and repositioning our ecclesiology and praxis. This article presents the theological position of GBI in a new era of adaptation as a result of the COVID-19 pandemic. This article uses a systematic approach, by briefly introducing the concepts of ecclesiology and fellowship, then developing these concepts further with concrete and relevant examples in the context of the GBI church.

Essentials of Pentecostal Theology Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly
