

Second Edition

Physics in Anaesthesia

An abstract graphic featuring several glowing, multi-colored lines (red, orange, blue, and yellow) that trace paths across the dark background. These lines appear to be overlaid on a faint, grid-like pattern. The lines have a soft, ethereal glow and some segments are thicker than others, creating a sense of depth and movement. The overall aesthetic is high-tech and scientific, fitting the book's theme of physics in anaesthesia.
