Al Gini

Plato And A Platypus Walk Into A Bar:

Plato and a Platypus Walk into a Bar . . . Thomas Cathcart, Daniel Klein, 2008-06-24 This New York Times bestseller is the hilarious philosophy course everyone wishes they d had in school Outrageously funny Plato and a Platypus Walk into a Bar has been a breakout bestseller ever since authors and born vaudevillians Thomas Cathcart and Daniel Klein did their schtick on NPR s Weekend Edition Lively original and powerfully informative Plato and a Platypus Walk Into a Bar is a not so reverent crash course through the great philosophical thinkers and traditions from Existentialism What do Hegel and Bette Midler have in common to Logic Sherlock Holmes never deduced anything Philosophy 101 for those who like to take the heavy stuff lightly this is a joy to read and finally it all makes sense And now you can read Daniel Klein s further musings on life and philosophy in Travels with Epicurus and Every Time I Find the Meaning of Life They Change it *Plato and a Platypus Walk Into a Bar* Thomas Cathcart, 2000 **Plato and a Platypus Walk Into a Bar** Daniel Klein, 2016-10-13 Here s an accusation Sherlock Holmes never deduced anything When it comes to language it all depends on what your definition of is is And one for the existentialists you haven t lived until you think about death all the time Crammed with over one hundred jokes and graced by the occasional cartoon written in a Marxist style Groucho s not Karl s and featuring frequent appearances from a comic two man Greek chorus Plato and a Platypus is a hilarious romp through the classic areas of philosophy Don t be put off by the seriousness of the contents page what follows is anything but *Plato and a Platypus Walk Into a Bar--* , 2006 **Platon și ornitorincul întră într-un bar...** Thomas Wilson Cathcart, 2013 **Summary of Thomas Cathcart & Daniel Klein's Plato and a Platypus Walk Into a Bar...** Everest Media, 2022-10-07T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The meaning of life is a slippery subject There are questions beyond scientific observation that are called metaphysics The telos of human life is happiness but it s not everybody s cup of tea 2 The structure of reality is slippery Some philosophers draw a distinction between essential and accidental properties The way Aristotle put it is that essential properties are those without which a thing wouldn t be what it is and accidental properties are those that determine how a thing is but not what it is 3 The meaning of life is slippery The structure of reality is slippery Some philosophers draw a distinction between essential and accidental properties 4 The structure of reality is slippery Some philosophers draw a distinction between essential and accidental properties The meaning of life is slippery *Knock, Knock* William Hartston, 2023-05-09 The first mainstream history of humour Hilarious and well researched this book from household name William Hartston a presenter author and journalist makes a perfect gift Of all human qualities humour is perhaps the most puzzling In this very first history of humour author and humourist William Hartston looks at every aspect of the evolution of humour and our attitudes towards it with a view to developing a proper Theory Of Everything Humorous From comedy in ancient Greece and jokes in ancient Rome to laughter in the Bible and the secret of comic delivery from how humour changed following the American civil war to how Mark Twain changed written

comedy in the English speaking world William leaves no stone unturned in his quest to understand what makes us chuckle Besides being academically well founded A History of Humour will unlike almost everything else written on the subject be both seriously humorous and humorously serious Talking the Walk & Walking the Talk Marc Shell,2015-09-01 This book argues that we should regard walking and talking in a single rhythmic vision In doing so it contributes to the theory of prosody our understanding of respiration and looking and in sum to the particular links across the board between the human characteristics of bipedal walking and meaningful talk The author first introduces the philosophical neurological anthropological and aesthetic aspects of the subject in historical perspective then focuses on rhetoric and introduces a tension between the small and large issues of rhythm He thereupon turns his attention to the roles of breathing in poetry as a life and death matter with attention to beats and walking poems This opens onto technical concepts from the classical traditions of rhetoric and philology Turning to the relationship between prosody and motion he considers both animals and human beings as both ostensibly able bodied creatures and presumptively disabled ones Finally he looks at dancing and writing as aspects of walking and talking with special attention to motion in Arabic and Chinese calligraphy The final chapters of the book provide a series of interrelated representative case studies I Think, Therefore I Draw Thomas Cathcart,Daniel M. Klein,2018 Introduces all the major debates in philosophy through history and the present including dozens of philosophers Back cover *The Importance of Being Funny* Al Gini,2017-07-25 When E B White said analyzing humor is like dissecting a frog few people are interested and the frog dies he hadn t seen Al Gini s hilarious incisive and informative take on jokes joke telling and the jokers who tell jokes For Gini humor is more than just foolish fun it serves as a safety valve for dealing with reality that gives us the courage to endure that which we cannot understand or avoid Not everyone tells jokes Not everyone gets a joke even a good one But Gini argues joke telling can act as both a sword and a shield to defend us from reality As the late great stand up comic Joan Rivers put it If you can laugh at it you can live with it This book is for anyone who enjoys a good laugh but also wants to know why **The Path of Agathon, First Edition** Agathon,2024-01-11 The Path of Agathon emerges as a revolutionary text skillfully reviving ancient philosophical principles to chart a course through the stages of consciousness This insightful guide is more than a book it s a transformative tool for personal growth aligning Platonic wisdom with the demands of the modern world It stands as a testament to the timelessness of Plato s teachings demonstrating their enduring relevance in today s rapidly evolving society Key Features Journey Through Consciousness Navigate the intricate stages of Eikasia Pistis Dianoia and Noesis uncovering the pathway to intellectual and spiritual enlightenment Catalyst for Personal Evolution Engage with a text that acts not just as a source of knowledge but as an active agent in the evolution of personal growth and self awareness Contemporary Application Discover the modern implications of Platonic thought on issues like ethics technology education and personal development Revolutionary Perspective Experience a groundbreaking approach that reinterprets ancient wisdom for the 21st century making it relevant

and accessible to a contemporary audience Interdisciplinary Insights Benefit from a blend of philosophy with psychology arts science and real world scenarios offering a holistic view of personal development Benefits for Readers Deepened Self Understanding Embark on a journey of self discovery and enhanced awareness through the exploration of each consciousness stage Evolutionary Growth Use the book as a stepping stone to accelerate your personal and philosophical evolution integrating ancient teachings into modern life Practical Philosophical Tools Apply philosophical principles to everyday challenges using the book s exercises and case studies as practical tools for growth Engaging and Transformative Content Delve into content that is not only intellectually stimulating but also personally transformative fostering a deeper connection with the self and the world Ideal for Individuals seeking a profound understanding of their own consciousness and personal growth Readers drawn to the fusion of ancient philosophy with modern living Anyone looking to explore the depths of their own mind and spirit in the context of timeless wisdom Thought leaders educators and students in search of a groundbreaking philosophical text that bridges past and present Embark on The Path of Agathon and experience a journey that transcends time reviving the eternal wisdom of Plato and applying it to the landscape of modern existence This book is not just a read it s a journey towards a deeper understanding of the self and a catalyst for personal and philosophical evolution

Don't Think of a Black Cat Peter Wright,2009-02-25 Don t Think of a Black Cat is a practical NLP beginners guide Performance is vital these days in sport business performing arts and our daily lives NLP and other techniques associated with performance psychology are explained and explored with practical examples and thought provoking exercises all designed to help build and enhance a toolkit of personal skills both for yourself and your colleagues clients and players This fun and interesting book is a perfect way to get into the subject

Philosophy on Tap Matt Lawrence,2011-03-01 When beer starts to flow philosophical discussions naturally follow Philosophy on Tap takes pub philosophy to the next level pairing 48 of life s greatest philosophical questions with 48 of the world s best beers Features a unique presentation of philosophical puzzles paradoxes and debates by considering 48 of life s biggest questions in the context of 48 distinctive beers from around the world Provides a highly engaging and sociable approach to the classic philosophical problems as well as a unique look at the conundrums that directly affect the beer drinker Combines a philosopher s insights with thematic humor and trivia to explore issues such as free will God s existence the nature of the soul time travel the aesthetics of taste the role of beer in the good life and the infamous beer goggles paradox For beer drinkers who enjoy philosophy philosophers who enjoy beer and anyone who has ever pondered the meaning of life over a pint of ale

[The New Yorker](#) ,2007

I Think, Therefore I Draw Thomas Cathcart,Daniel Klein,2018-10-30 A hilarious new exploration of philosophy through cartoons from the duo who brought you the New York Times bestselling Plato and a Platypus Walk Into A Bar Thomas Cathcart and Daniel Klien have been thinking deep thoughts and writing jokes for decades and now they are here to help us understand Philosophy through cartoons and cartoons through Philosophy Covering topics

as diverse as religion gender knowledge morality and the meaning of life or the lack thereof I Think Therefore I Draw gives a thorough introduction to all of the major debates in philosophy through history and the present And since they explain with the help of a selection of some of the smartest cartoonists working today you ll breeze through these weighty topics as you guffaw and slap your knee Cathcart and Klein s Plato and a Platypus Walk into a Bar and Heidegger and a Hippo Walk Through Those Pearly Gates have been a favorite of philosophers and non philosophers alike for years Packed with dozens of witty cartoons and loaded with profound philosophical insight I Think Therefore I Draw will delight readers and leave them enlightened

Aristotle and an Aardvark Go to Washington Thomas Cathcart, Daniel Klein, 2007 Uses jokes cartoons and philosophy to expose what politicians really mean analyzing quotations from everyone from Condoleezza Rice to Al Sharpton
The Publishers Weekly, 2009

Stephen Colbert and Philosophy Aaron Allen Schiller, 2009 Stephen Colbert is a pop culture phenomenon More than one million people backed his fake candidacy in the 2008 U S presidential election on Facebook a testament to the set of issues and emotions Colbert brings to mind Each chapter is written by a philosopher and all focused on Colbert s reality from his word creations truthiness wikiality freem and others to his position as a faux pundit who openly mocks Fox News and CNN Although most of the discussion is centered on The Colbert Report this collection does not neglect either his best selling book I Am America And So Can You or his public performances including his 2006 White House Press Correspondents Dinner speech From publisher description

Heidegger and a Hippo Walk Through Those Pearly Gates Thomas Cathcart, Daniel Klein, 2009-10-20 Q Why are there almost as many jokes about death as there are about sex A Because they both scare the pants off us Thomas Cathcart and Daniel Klein first made a name for themselves with the outrageously funny New York Times bestseller Plato and a Platypus Walk into a Bar Now they turn their attention to the Big D and share the timeless wisdom of the great philosophers theologians psychotherapists and wiseguys From angels to zombies and everything in between Cathcart and Klein offer a fearless and irreverent history of how we approach death why we embrace life and whether there really is a hereafter As hilarious as it is enlightening Heidegger and a Hippo Walk Through Those Pearly Gates is a must read for anyone and everyone who ever expects to die And now you can read Daniel Klein s further musings on life and philosophy in Travels with Epicurus and Every Time I Find the Meaning of Life They Change it

Every Time I Find the Meaning of Life, They Change It Daniel Klein, 2017-05-02 A humorous and philosophical trip through life from the New York Times bestselling coauthor of Plato and a Platypus Walk into a Bar Daniel Klein s fans have fallen in love with the warm humorous and thoughtful way he shows how philosophy resonates in everyday life Readers of his popular books Plato and a Platypus Walk into a Bar and Travels with Epicurus come for enlightenment and stay for the entertainment As a young college student studying philosophy Klein filled a notebook with short quotes from the world s greatest thinkers hoping to find some guidance on how to live the best life he could Now from the vantage point of his eighth decade Klein revisits the wisdom he relished in his youth with this collection of philosophical gems adding new ones that

strike a chord with him at the end of his life From Epicurus to Emerson and Camus to the theologian Reinhold Niebuhr whose words provided the title of this book each pithy extract is annotated with Klein's inimitable charm and insights In these pages our favorite jokester philosopher tackles life's biggest questions leaving us chuckling and enlightened
