Letter Tracing and Coloring Book for Kids - Korean Hangeul Alphabets Second Teacher, 2021-04-19

Dear Parents The language is a basic characteristic which constitutes one's own representation of who you are What is one of the first things to learn when you study a foreign language The alphabet of course The official writing system for South Korea is Hangeul or Hangeul Korean is the official language of South Korea and it uses Hangeul as its alphabet and writing system Han means Korean and gul means letter Put them together and you've got the term Korean letter or Korean Alphabet Hangeul consists of 24 letters originally 28 including 14 consonants and 10 vowels The consonant characters are formed with curved or angled lines The vowels are composed of vertical or horizontal straight lines together with short lines on either side of the main line Hangeul is a very scientific writing system It was developed with precision in mind about 500 years ago by King Sejong the Great Unlike Japanese or Chinese which have thousands of characters and each can have 10 15 or more strokes the most complex Korean character in the alphabet can be written using only five strokes You may feel that using English as a common language it won't matter whether your children learn Hangeul or not It happens that your child might just stop speaking Hangeul leading to identity change Since a child's Korean language skills are lacking they will not be able to interact well in Korean as they do in English The Korean alphabet has a lot of similarities to the English alphabet which makes it easy to learn It has consonants and vowels that form syllable blocks These syllables can be sounded out just like words in English How can parents support their child's learning process Here the solution is This book enables your kids to practice and learn letters words in an interesting way

Content of the book For each alphabet letter there will be a page 1st page has an outline of a letter with the image that starting with that letter name in Hangeul Korean English with the phonics of Hangeul Korean name and image The children can color the letter and images that are allocated for each letter 2nd page is for next alphabet This book has similar setup for all the alphabets For consonants page number 3 17 and vowels page number 24 33 till page number 33 Pages 18 23 and 34 40 contain all alphabets along with their complex forms in single

pages with one extra page for practice 41 60 is having box spaces to practice Hangul Korean alphabet further That looks like a great start right Hope your kids will learn something useful in the meantime Let us gift meaningful book as a gift to our kids If you loved the book we request you to take a moment to review it It helps in further progression for our future works Thanks for your support Team SECOND TEACHER TM **Korean** Color & Color & Learn,2020-10-25 Want to learn the Korean alphabet and your first words This workbook allows children and adults to learn the alphabet and practice writing useful words related to everyday life The method First write and pronounce the alphabet with the help of large characters that show the stroke order and pronunciation indications romanization included Memorize a new word containing the letter recently learned learn how to pronounce and write it Color the illustration associated with the word to promote memorization through visual memory The learner progressively builds confidence in writing with the help of stroke orders pre writing shapes to write over and then practice in complete autonomy This book contains 40 pages to practice the writing and pronunciation of the Korean alphabet known as Hangul 40 pages to practice the writing and pronunciation of new vocabulary everyday words animals fruits and vegetables household items 40 small illustrations that can be colored Bonus traditional wongoji paper to practice even more and extra space for notes For who Can be offered to a child over 7 years old or an adult who wants to learn and practice in a fun way Korean language beginner student KPOP fan expat Remember that diversifying learning methods allows you to stay motivated in the long term
