My Promised Land Ari Shavit, 2015-02-03 NEW YORK TIMES BESTSELLER A NEW YORK TIMES BOOK REVIEW AND ECONOMIST BEST BOOK OF THE YEAR A deeply reported deeply personal history of Zionism and Israel that does something few books even attempt It balances the strength and weakness the idealism and the brutality the hope and the horror that has always been at Zionism's heart Ezra Klein The New York Times Winner of the Natan Book Award the National Jewish Book Award and the Anisfield Wolf Book Award Ari Shavit's riveting work now updated with new material draws on historical documents interviews and private diaries and letters as well as his own family's story to create a narrative larger than the sum of its parts both personal and of profound historical dimension As he examines the complexities and contradictions of the Israeli condition Shavit asks difficult but important questions Why did Israel come to be How did it come to be Can it survive Culminating with an analysis of the issues and threats that Israel is facing *My Promised Land* uses the defining events of the past to shed new light on the present Shavit's analysis of Israeli history provides a landmark portrait of a small vibrant country living on the edge whose identity and presence play a crucial role in today's global political landscape

The War on Error Martin Kramer, 2017-09-08 In *The War on Error* historian and political analyst Martin Kramer presents a series of case studies some based on pathfinding research and others on provocative analysis that correct misinformation clouding the public's understanding of the Middle East He also offers a forensic exploration of how misinformation arises and becomes fact The book is divided into five themes Orientalism and Middle Eastern studies a prime casualty of the culture wars Islamism massively misrepresented by apologists Arab politics a generator of disappointing surprises Israeli history manipulated by reckless revisionists and American Jews and Israel the subject of irrational fantasies Kramer shows how error permeates the debate over each of these themes creating distorted images that cause policy failures Kramer approaches questions in the spirit of a relentless fact checker Did Israeli troops massacre Palestinian Arabs in Lydda in July 1948 Was the bestseller *Exodus* hatched by an advertising executive Did Martin Luther King Jr describe anti Zionism as antisemitism Did a major post 9/11 documentary film deliberately distort the history of Islam Did Israel push the United States into the Iraq War Kramer also questions paradigms the Arab Spring the map of the Middle East and linkage Along the way he amasses new evidence exposes carelessness and provides definitive answers

Arizona Journal of International and Comparative Law ,2014 **Talking Book Topics** ,2014 **Summary of Ari Shavit's My Promised Land** Everest Media,2022-06-11T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The need to give Palestine to the Jews is almost tangible If the Jews won t disembark here they will have no future The Jewish people desperately need a new place a new beginning and a new mode of existence 2 My great grandfather Herbert Bentwich was a leading figure in the Anglo Jewish community He was married to a beautiful artistic wife who was raising nine children in their magisterial Avenue Road home He was a self made man who loved travel poetry and theater 3 The second answer is that Herbert Bentwich was way ahead of his time He was committed to ending Jewish misery in the East but his main reason for taking this journey was to escape the futility of Jewish life in the West He saw the calamity that would follow the Holocaust 4 The British Isles were a temporary respite for the Bentwich delegation but not for the Anglo Jewish community The demography of the British Isles tells a clear story In the second half of the twentieth century which Herbert Bentwich will not live to see the Anglo Jewish community will shrink by a third
