His promises become harder to believe as months turn into years. The three siblings are forced to look out for themselves in childish games; they find a way to forget the pain of abandonment and learn to solve very adult problems. After discovering deep family secrets in her adoptive father's journal, she leaves behind her North Carolina college town and sets out in search of her birth family amid the high-class society of Southern Florida. Using an assumed name and pretending to conduct a study of one of the nation's wealthiest communities, Willow takes the city by storm and quickly becomes entangled with Thatcher Eaton, a young lawyer who sweeps her off her feet. But as Willow spirals into a passionate love affair and becomes intoxicated with the lifestyle of the rich and famous, the dark truth about her birth family threatens her fancy new life, pushing her to the brink of insanity. **People of the State of Illinois v.
