My Life A Spoken Autobiography Fidel Castro:

Fidel Castro: My Life Ignacio Ramonet, Fidel Castro, 2008-03-11 The intimate and highly revealing life story of the world's longest serving most charismatic and controversial head of state in modern times Fidel Castro was a dictatorial pariah to some and a hero and inspiration for many of the world's poor defiantly charting an independent and revolutionary path for Cuba over nearly half a century Numerous attempts were made to get Castro to tell his own story But only in the twilight of his years was he prepared to set out the details of his remarkable biography for the world to read before his death in 2016 This book is nothing less than his living testament In these pages Castro narrates a compelling chronicle that spans the harshness of his elementary school teachers the early failures of the revolution his intense comradeship with Che Guevara and their astonishing against all odds victory over the dictator Batista the Cuban perspective on the Bay of Pigs and the ensuing missile crisis the active role of Cuba in African independence movements especially its large military involvement in fighting apartheid South Africa in Angola his relations with prominent public figures such as Boris Yeltsin Pope John Paul II and Saddam Hussein and his dealings with no less than ten successive American presidents from Eisenhower to George W Bush Castro talks proudly of increasing life expectancy in Cuba of the half million students in Cuban universities and of the training of seventy thousand Cuban doctors nearly half of whom work abroad assisting the poor in Africa Asia and Latin America He confronts a number of thorny issues including democracy and human rights discrimination toward homosexuals and the presence of the death penalty on Cuban statute books Along the way he shares intimacies about more personal matters the benevolent strictness of his father his successful attempt to give up cigars his love of Ernest Hemingway's novels and his calculation that by not shaving he saves up to ten working days each year Drawing on more than one hundred hours of interviews with Ignacio Ramonet a knowledgeable and trusted interlocutor this spoken autobiography will stand as the definitive record of an extraordinary life lived in turbulent times

Fidel Castro, My Life Fidel Castro, 2009 **My Life** Fidel Castro, Ignacio Ramonet, 2008 Fidel Castro is perhaps the most charismatic and controversial head of state in modern times A dictatorial pariah to some he has become a hero and inspiration for many of the world's poor defiantly charting an independent and revolutionary path for Cuba over nearly half a century Numerous attempts have been made to get Castro to tell his own story but only now in the twilight of his years has he been prepared to set out the details for the world to read Drawing on more than one hundred hours of interviews with journalist Ignacio Ramonet a knowledgeable and trusted interlocutor this spoken autobiography will stand as the definitive record of an extraordinary life lived in turbulent times

From publisher description *My Life Fidel Castro* Fidel Castro, Ignacio Ramonet, 2008-06-24 The acclaimed autobiography of Fidel Castro one of the towering political figures of our age who dominated both Cuba and the world stage for over half a century Here Castro tells his story in full for the first time speaking openly about everything from his parents and earliest influences to his imprisonment guerrilla war and the Cuban revolution and on to the Bay of Pigs the missile crisis and his

relationship with Che Guevara He also remembers the people he knew from John F Kennedy to Ernest Hemingway Whatever your views on Castro are this is an essential record of an incredible life and even more extraordinary times Cubaphiles are all the richer for this book Castro s prodigious gifts are well displayed his formidable erudition steely discipline epic curiosity and his astute grasp of history Financial Times Castro s life has been extraordinary and he can tell a good story Evening Standard

My Life Fidel Castro,2007 For Years People Have Tried To Persuade The Leader Of The Cuban Revolution To Tell His Own Life Story Here Finally Ignacio Ramonet Well Known Activist And Editor Of Le Monde Diplomatique Has Succeeded For The First Time In A Series Of Probing Interviews Fidel Castro Describes His Life From The 1950S All The Way Up To The Present Day He Discusses His Parents His Earliest Influences The Beginnings Of The Revolution His Relationship With Che Guevara The Bay Of Pigs The Carter Years Cuban Migration To The Us And Along The Way Ramonet Challenges Castro To Discuss His Views On A Number Of Controversial Questions From Human Rights And Freedom Of The Press To The Repression Of Homosexuality And The Survival Of The Death Penalty And He Gives His Opinion Of Other Leaders Alive And Dead Including George Bush And Tony Blair

Fidel Castro Nick Caistor,2013-06-01 Fidel Castro had ruled the island of Cuba for fifty two years when ill health forced him to step down in 2008 Over the course of that time he changed Cuba from a republic to a communist state and became one of the most divisive leaders in the second half of the twentieth century For some he is a champion of humanitarianism socialism and environmentalism For others he is a monster and dictator who perpetuated human rights abuses at home and abroad Providing a rare evenhanded account of Castro s life journalist Nick Caistor brings together interviews with people who have known Castro with discussion of the ideas that drove him Caistor follows Castro s life from his birth as the illegitimate son of a wealthy farmer in 1926 to the developing of his leftist anti imperialist ideas at the University of Havana and his primary role in the Cuban Revolution in the 1950s He explores Castro s economic and military alliance with the Soviet Union and his hostile relationship with the United States while also looking at how he simultaneously introduced free health care and education while squelching freedom of the press and suppressing dissidents As Caistor shows Castro s numerous writings on politics capitalism and other topics have influenced leaders from Nelson Mandela to Hugo Ch vez but allegations of corruption human rights abuses and dictatorship never ceased during his long career Using stories and opinions to enliven the debate about Castro s choices strengths and weaknesses this concise biography gives readers the opportunity to judge for themselves how they feel about the former Cuban president

The Fate of the Americas Renata Keller,2025-10-14 Despite twenty first century fears of nuclear conflagrations with North Korea Russia and Iran the Cuban Missile Crisis is the closest the United States has come to nuclear war That history has largely been a bilateral narrative of the US USSR struggle for postwar domination with Cuba as the central staging ground a standard account that obscures the shock waves that reverberated throughout Latin America This first hemispheric examination of the Cuban Missile Crisis shows how leaders and ordinary citizens throughout the region experienced it

revealing that had the missiles been activated millions of people across Latin America would have been at grave risk Traversing the region from the Southern Cone to Central America Renata Keller describes the deadly riots that shook Bolivia when news of the Cuban Missile Crisis broke the naval quarantine that members of Argentina's armed forces formed around Cuba the pro Castro demonstrations organized by Nicaraguan students and much more Drawing on a vast array of archival sources from around the hemisphere and world *The Fate of the Americas* demonstrates that even at the brink of destruction Latin Americans played active roles in global politics and inter American relations *The Bay of Pigs* Howard Jones, 2008-08-08 A masterful account of one of the most disastrous missteps in American foreign policy The Bay of Pigs gives the engrossing story of the US backed invasion of Cuba in April of 1961 by 1400 exiled Cubans Designed to overthrow the communist regime of Fidel Castro the invasion now known simply as the Bay of Pigs was a complete failure that had far reaching implications in shaping John F Kennedy's Cold War attitudes and presidential agenda **Cuban Missile Crisis** Priscilla Roberts, 2012-04-23 Drawing on revealing new research this richly informative volume is the definitive concise introduction to the crisis that took the world to the brink of nuclear war Cuban Missile Crisis The Essential Reference Guide captures the historical context the minute by minute drama and the profound repercussions of the Missiles of October confrontation that brought the very real threat of nuclear attack to the United States doorstep Coinciding with the 50th anniversary of the crisis it takes full advantage of recently opened Soviet archives as well as interviews with key Russian Cuban and U S officials to explore the event as it played out in Moscow Havana Washington and other locations around the world Cuban Missile Crisis contains an introductory essay by the author and alphabetically organized reference entries contributed by leading Cold War researchers The book also includes an exceptionally comprehensive bibliography Together these resources give readers everything they need to understand the escalating tensions that led to the crisis as well as the intense diplomacy that resolved it including new information about the back channel negotiations between Robert Kennedy and Soviet ambassador Anatoly Dobrynin **Latin America since Independence** Thomas C. Wright, Robert L. Smale, 2022-08-03 This book offers an innovative thematic approach to the history of Latin America since independence It traces continuity and change in colonial legacies that became central political issues following independence authoritarian governance a rigid social hierarchy based on race color and gender the powerful Roman Catholic Church economic dependency and the large landed estate Generally liberals have sought to modify or abolish these legacies in the interest of what they consider progress while conservatives have attempted to preserve them as much as possible as bastions of their power and privilege Examining the evolution of these colonial legacies across two centuries reveals the processes that formed the political systems economies societies and religious institutions that characterize Latin America today *Latin America in the Era of the Cuban Revolution and Beyond* Thomas C. Wright, 2025-07-10 Examining how the Cuban Revolution dictated Latin American politics and U S Latin American relations from the 1950s to the present this fourth edition engages

with the question is the Cuban Revolution dead Fidel Castro's ascent to power and the revolution he led in Cuba not only catalyzed a wave of revolutionary activity it also set off a wave of reaction that led to widespread military dictatorships and severe repression culminating in state terrorism Both revolution and reaction were essentially over by 1990 and yet long term effects of the Cuban Revolution continue to influence the modern era Latin America in the Era of the Cuban Revolution and Beyond covers the events of the Cuban Revolution itself the resulting radicalization of Latin American politics the United States responses to the threat of communist expansion in the region and rural and urban guerrilla warfare that were spawned by the Cuban Revolution It also addresses the very different but incomplete revolutions in Peru Chile and Nicaragua the rise of state terrorism in response to the threat of revolution and major developments after 1990 This fourth edition includes a new chapter with expanded coverage of women's political representation the continued rise of authoritarianism Mexican democratization the Pink Tide of recent leftist governments including those of Hugo Chavez in Venezuela and Evo Morales in Bolivia and Cuban politics in the post Castro era The revised edition features maps of the region as well as updated further reading sections following each chapter

To Run the World Sergey Radchenko, 2024-05-30 What would it feel like To Run the World Soviet rulers spent the Cold War trying desperately to find out Perennial insecurities delusions of grandeur and desire for recognition propelled Moscow on a headlong quest for global power with dire consequences and painful legacies that continue to shape our world **The Evolution and Significance of the Cuban Revolution** Charles McKelvey, 2017-11-08 The book interprets the Cuban revolutionary movement from 1868 to 1959 as a continuous process that sought political independence and social and economic transformation of colonial and neocolonial structures Cuba is a symbol of hope for the Third World The Cuban Revolution took power from a national elite subordinate to foreign capital and placed it in the hands of the people and it subsequently developed alternative structures of popular democracy that have functioned to keep delegates of the people in power While Cuba has persisted the peoples of the Third World knocked down by the neoliberal project have found social movement and political life a renewal that is especially evident in Latin America and the Non Aligned Movement At the same time the capitalist world economy increasingly reveals its unsustainability and the global elite demonstrate its incapacity to respond to a multifaceted and sustained global crisis These dynamics establish conditions for popular democratic socialist revolutions in the North

Our Comrades in Havana Radoslav Yordanov, 2024-07-16 In the immediate aftermath of its successful revolution Cuba was heralded by socialist nations as the vanguard of communism in Latin America in the early 1960s But by the late 1980s Cuba's inability to adopt the modes of socialist planning and Mikhail Gorbachev's reforms had deeply soured the relationship between Havana and the Soviet led socialist bloc While secondary literature often highlights Cuba's political and economic relations with Washington and Moscow Havana's ideological political and economic relations with the Eastern European states have received considerably less attention This book aims to fill this gap by offering a detailed chronological account of how Cuba's post revolutionary

development was influenced by Eastern European diplomats Outside of their roles as representatives of their respective states Eastern European diplomats were entrusted with the task of educating local Cuban leadership in the intricacies of Marxism Leninism steering Cuba s governors onto the correct path of development helping them eradicate erroneous ideas of economic development and showing them the validity of socialist morals and ideology By considering these developments and analyzing firsthand accounts of Eastern European diplomats experiences in Havana historian Radoslav Yordanov reconstructs the thinking of Eastern European diplomats and specialists in their dealings with Cuba from the 1959 Cuban revolutionary victory to the 1991 dissolution of the Soviet Union shedding new light on Cuba s role in the global Cold War

Ernesto Andrew Feldman,2019-05-28 From the first North American scholar permitted to study in residence at Hemingway s beloved Cuban home comes a radically new understanding of Papa s life in Cuba Ernest Hemingway first landed in Cuba in 1928 In some ways he never left After a decade of visiting regularly he settled near Coj mar a tiny fishing village east of Havana and came to think of himself as Cuban His daily life among the common people there taught him surprising lessons and inspired the novel that would rescue his declining career That book *The Old Man and the Sea* won him a Pulitzer and one year later a Nobel Prize In a rare gesture of humility Hemingway announced to the press that he accepted the coveted Nobel as a citizen of Coj mar In Ernesto Andrew Feldman uses his unprecedented access to newly available archives to tell the full story of Hemingway s self professed Cuban ness his respect for Coj mar fishermen his long running affair with a Cuban lover the warmth of his adoptive Cuban family the strong influences on his work by Cuban writers his connections to Cuban political figures and celebrities his denunciation of American imperial ambitions and his enthusiastic role in the revolution With a focus on the island s violent political upheavals and tensions that pulled Hemingway between his birthplace and his adopted country Feldman offers a new angle on our most influential literary figure Far from being a post success pre suicide exile Hemingway s decades in Cuba were the richest and most dramatic of his life and a surprising instance in which the famous American bully sought redemption through his loyalty to the underdog *Toward a Global*

History of Latin America s Revolutionary Left Tanya Harmer,Alberto Martín Álvarez,2021-04-06 This volume showcases new research on the global reach of Latin American revolutionary movements during the height of the Cold War mapping out the region s little known connections with Africa Asia and Europe *Toward a Global History of Latin America s Revolutionary Left* offers insights into the effect of international collaboration on the identities ideologies strategies and survival of organizers and groups Featuring contributions from historians working in six different countries this collection includes chapters on Cuba s hosting of the 1966 Tricontinental Conference that brought revolutionary movements together Czechoslovakian intelligence s logistical support for revolutionaries the Brazilian Left s search for recognition in Cuba and China the central role played by European publishing houses in disseminating news from Latin America Italian support for Brazilian guerrilla insurgents Spanish ties with Nicaragua s revolution and the solidarity of European networks with Guatemala s Guerrilla

Army of the Poor Through its expansive geographical perspectives this volume positions Latin America as a significant force on the international stage of the 1960s and 1970s It sets a new research agenda that will guide future study on leftist movements transnational networks and Cold War history in the region Contributor s Jos Manuel greda Portero Van Gosse James G Hershberg Gerardo Leibner Blanca Mar Le n Eduardo Rey Trist n Arturo Taracena Arriola Michal Zourek [The 100 Most Influential World Leaders of All Time](#) Amy McKenna Senior Editor, Geography and History,2009-12-20 Collects profiles of the one hundred most influential leaders throughout history including such heads of state as Constantine and Barack Obama such religious leaders as the Dalai Lama and such influential social leaders as Martin Luther King Jr **Encyclopedia of U.S. - Latin American Relations** Thomas Leonard,Jurgen Buchenau,Kyle Longley,Graeme Mount,2012-01-31 No previous work has covered the web of important players places and events that have shaped the history of the United States relations with its neighbors to the south From the Monroe Doctrine through today s tensions with Latin America s new leftist governments this history is rich in case studies of diplomatic economic and military cooperation and contentiousness Encyclopedia of U S Latin American Relations is a comprehensive three volume A to Z reference featuring more than 800 entries detailing the political economic and military interconnections between the United States and the countries of Latin America including Mexico and the nations in Central America the Caribbean and South America Entries cover Each country and its relationship with the United States Key politicians diplomats and revolutionaries in each country Wars conflicts and other events Policies and treaties Organizations central to the political and diplomatic history of the western hemisphere Key topics covered include Coups and terrorist organizations U S military interventions in the Caribbean Mexican American War The Cold War communism and dictators The war on drugs in Latin America Panama Canal Embargo on Cuba Pan Americanism and Inter American conferences The role of commodities like coffee bananas copper and oil Big Stick and Good Neighbor policies Impact of religion in U S Latin American relations Neoliberal economic development model U S Presidents from John Quincy Adams to Barack Obama Latin American leaders from Simon Bolivar to Hugo Chavez With expansive coverage of more than 200 years of important and fascinating events this new work will serve as an important addition to the collections of academic public and school libraries serving students and researchers interested in U S history and diplomacy Latin American studies international relations and current events **Democracy in Latin America** Thomas C. Wright,2022-12-13 This book expertly traces the long erratic and incomplete path of Latin America s political and socioeconomic democratization from a group of colonies lacking democratic practice and culture up to the present Using the lens of democracy defined by the charter of the Organization of American States OAS it examines the periods of US gunboat diplomacy in the Caribbean Basin the Cold War the state terrorist dictatorships of the 1970s and 1980s the imposition of neoliberalism in the 1990s and the rise of the Pink Tide in the new millennium The meaning of democracy has changed over

time from nineteenth century liberalism in which only a handful of wealthy males voted and individuals were responsible for their economic and social conditions to governments in the late twentieth century that have embraced socioeconomic democracy by assuming responsibility at least formally for citizens welfare Latin America s movement toward democracy has not been linear The book follows the appearance and evolution of both proponents and opponents of democracy over the last two centuries The balance of these forces has shifted periodically often in waves that swept across the entire region Commitment to democracy does not guarantee implementation but despite many setbacks Latin America has made significant progress toward the democratic aspirations set forth in the OAS charter Thorough and accessibly written Democracy in Latin America is an essential text for students studying Latin American politics and history

Enjoying the Track of Appearance: An Mental Symphony within **My Life A Spoken Autobiography Fidel Castro**

In some sort of taken by displays and the ceaseless chatter of instant conversation, the melodic splendor and psychological symphony developed by the published word often diminish into the backdrop, eclipsed by the constant noise and disruptions that permeate our lives. But, nestled within the pages of **My Life A Spoken Autobiography Fidel Castro** a wonderful literary treasure full of fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that interesting masterpiece conducts readers on a mental trip, skillfully unraveling the concealed melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of this poignant analysis, we will examine the book is central harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
