the practical aspects bearing on computer science and information technology The book not only keeps abreast of all the chapterwise information generally asked in the examinations but also proffers felicitous tips in the furtherance of problem solving technique Various cardinal landmarks pertaining to the subject such as theory of computation compiler design digital logic design computer organisation and architecture computer networks database management system operating system web technology software engineering C programming data structure design and analysis of algorithms along with general aptitude verbal ability non verbal aptitude basic mathematics and discrete mathematics are now under a single umbrella

HIGHLIGHTS OF THE BOOK Systematic discussion of concepts endowed with ample illustrations Adequate study material suffused with pointwise style to enhance learning ability Notes are incorporated at several places giving additional information on the key concepts Inclusion of solved practice exercises for verbal and numerical aptitude to guide the students from practice and examination point of view Points to ponder are provided in between for a quick recap before examination Prodigious objective type questions based on the GATE examination from 1987 to 2014 along with in depth explanation for each solution from stem to stern Every solution lasts with a reference thus providing a scope for further study Two sample papers for GATE 2015 are incorporated along with answer keys

WHAT THE REVIEWERS SAY Professor Dasaradh has significantly prepared each and every solution of the questions appeared in GATE and other competitive examinations and many individuals from the community have devoted their time to proofread and improve the quality of the solutions so that they become very lucid for the reader I personally find this book very useful and only one of its kind in the market because this book gives complete analysis of the chapterwise questions based on the previous years examination Moreover all solutions are fully explained with a reference to the concerned book given after each solution It definitely helps in the elimination of redundant topics which are not important from examination point of view So the students will be able to reduce the volume of text matter to be studied Besides solutions are presented in lucid and understandable language for an average student

Dr T Venugopal Associate Professor Department of CSE JNTUH Jagtial Overall I think this book represents an extremely valuable and unique contribution to the competitive field because it captures a wealth of GATE PGECET examination s preparation experience in a compact and reusable form This book is certainly one that I shall turn into a regular practice for all entrance examinations preparation guides This book will change the way of preparation for all competitive examinations

Professor L V N Prasad CEO Vardhaman College of Engineering Hyderabad I began to wish that someone would compile all the important abstracting information into one reference as the need for a single reference book for aspirants had become even more apparent I have been thinking about this project for several years as I have conducted many workshops and training programs This book is full of terms phrases examples and other key information as well as guidelines that will be helpful not only for the students or the young engineers but also for the instructors

Professor R Muraliprasad Professional Trainer GATE IES PSU Hyderabad The book which will prove to be an epitome of learning the

concepts of CS and IT for GATE PGECET examination is purely intended for the aspirants of GATE and PGECET examinations. It should also be of considerable utility and worth to the aspirants of UGC NET as well as to those who wish to pursue career in public sector units like ONGC NTPC ISRO BHEL BARC DRDO DVC Power grid IOCL and many more. In addition, the book is also of immense use for the placement coordinators of GATE PGECET. *Education World*, 2006 **College Bound** Samuel C. Brownstein, 1958 Otto E.
