of fragrance essential oils have been revered throughout human history for their healing powers and their unparalleled scent. But in modern times they've often been misunderstood, underappreciated, even cast as dangerous and relegated to the dusty shelves of health food stores. That is until recently. Today they're back in the spotlight as increasing numbers of consumers are looking for all-natural alternatives to skincare products and opting for fragrance-free detergents and soaps, natural remedies for common ailments, and toxin-free home cleaning solutions. Enter Adina Grigore, owner and founder of the wildly popular all-natural skincare line SW Basics. A former essential oil skeptic, Grigore learned everything she could about these potent plant-based compounds when she began formulating her products. And what she learned was that essential oils are some of the most powerful healing, health-promoting compounds found in nature. That, and they smell pretty great, too. In *Just the Essentials*, Grigore offers a 21st-century guide to these ancient oils, offering a fresh, fun, and authoritative overview of what they are and how they can be easily incorporated into anyone's life. From plant-based medicine to all-natural skincare to safer and cleaner household products to aromatherapy, this handy and entertaining guide provides detailed advice for a wide array of oils, safety guidelines, and a range of do-it-yourself recipes to get started. Inside, you'll discover such fun facts as: Tea tree oil is a powerful antibacterial that is proven to be as effective for treating acne as benzoyl peroxide; it also kills oral bacteria and is a life-saver for tooth infections. Cinnamon oil is a circulation booster that helps to ease everyday aches and pains, as well as headaches, even migraines. Peppermint oil is brimming with antimicrobial properties; peppermint oil can be used for everything from alleviating digestive problems to cleaning your kitchen counters. With lists of the best oils for beginners, instructions for diffusing and safe handling, and DIY recipes from dish soap to toothpaste to facial masks, *Just the Essentials* makes it easy and enjoyable to reap the many benefits of these pure plant extracts.
