doctoral program especially the writing of the dissertation and Advance treats issues that relate to success in the academic world such as conference participation publishing employment and best practices in teaching **Prepare, Succeed, Advance** Nijay K Gupta, 2017-08-31 Achieving a PhD in Biblical Studies raises questions about different stages of the process commonly encountered by those who venture into the academic world In Prepare Succeed Advance Nijay K Gupta divides the procedure into three specific phases Prepare which focusses on choosing the right doctoral programme and applying for it Succeed which deals with the delicate challenge of writing a defensible thesis and Advance in which he gives advice on how to face issues with success in career development in the academic field Gupta offers discussions of and answers to the most pertinent and pressing questions that prospective and current doctoral students come in contact with in a guidebook that tackles any doubts from an authoritative perspective with a remarkable amount of personal experience An Introduction to the New Testament Charles B Puskas, C Michael Robbins, 2012-08-30 This second edition of An Introduction to the New Testament provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts Many new and diverse cultural historical social scientific sociorhetorical narrative textual and contextual studies have been examined since the publication of the first edition which was in print for twenty years The authors retain the original tripartite arrangement on 1 The world of the New Testament 2 Interpreting the New Testament and 3 Jesus and early Christianity An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testaments texts today **The Temporal Mechanics of the Fourth Gospel** Douglas Estes, 2008-01-01 By redefining narrative temporality in light of modern physics this book advances a unique and innovative approach to the deep seated temporalities within the Gospel of John and challenges the implicit assumptions of textual brokenness that run throughout Johannine scholarship **Hebrews, the General Letters, and Revelation** Charles B. Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation The focus in these introductions is often on the four Gospels and the Letters of Paul As important as these books are one should not neglect with only a brief survey the treatment of Hebrews the General Letters and the book of Revelation The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues Nevertheless these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation When and why was each book written By whom and to whom was each book written What are some special features of each book How soon or late was each book included in the NT collection Answers to many of these questions are tentative The assured results of scholarship are in continual need of reevaluation Since the 1980s a host of diverse studies have emerged and I have endeavored to include them when they are relevant to the discussion

Pursuing Excellence for the Glory of God Keith A. Currivean, 2022-01-13 What is education How and why do educators do what we do And in what way can and ought education be distinctively Christian These are a few of the probing questions for which this book seeks answers Among other contributions Currivean's book explores a biblical philosophy of Christian education with unprecedented breadth and depth To accomplish this objective it considers what education is chapter 1 what philosophy of education is chapter 2 and what the ultimate goal of education is chapter 3 Additionally this book provides a never before Christian overview of twelve philosophies of education chapters 4-15 Each of those chapters provides an introduction of a particular philosophy of education and some of that philosophy's exemplars Each of those chapters also contributes a constructive Christian critique Chapter 16 highlights a biblical philosophy of Christian education featuring some people some principles and some priorities for a biblical philosophy of Christian education viz pursuing excellence for the glory of God **Scholars of Early Modern Studies**, 1999 Leading Together Nicole S. Oliver Snyder, 2017-01-06

Diversity and equality are terms swamping social media news outlets and campuses these days While the desire for diversity may be sincere it is also superficial With genuine diversity there is a profusion of perspectives Yet when ideas and arguments are limited to tweets forgotten to another fleeting proclamation any hope for reasoned reflection is lost How do leaders keep up and effectively lead Nicole Oliver Snyder describes how mindfulness and spiritual practices are both in the DNA of Christian tradition and are powerful to unite Intentional time to consider divergent ideas makes space to recognize the ideas for what they are and see their value in addition rather than contrary to one's own Encountering limited traction due to the inherent reality of information overload in our super connected daily experience makes applying these practices all the more imperative This book describes research and a possible way for leaders to lead together collaboratively with equity and unbounded diversity Here Dr Snyder explores what it means to live God's image as a leader drawing from scripture and theology neuroscience and the behavioral sciences This book is academic and practical and the start of a discussion about what good and successful leadership might look like Dictionary of modern theological German Helmut W.
