Boglehead's Guide to Investing *Mom Minus Dad: The Essential Resource Guide for Busy Adults with a Newly Widowed Parent* Jamieson Haverkamp, 2008-05-09 Mom Minus Dad is the only resource guide available with more than 500 resources for adults who lose a parent and need to assist a newly widowed parent. The book provides readers with practical advice on ten major parent loss topics along with more than 500 valuable and time-saving resources including Web sites, companies, government resources, U.S. laws, books, and nonprofit organizations to assist the approximately twelve million sons and daughters who lose a parent every year. Each section provides online and book resources and simple practical solutions to common problems from finding affordable counseling to building new budgets for the widowed parent to managing changing family dynamics. Each chapter reveals ideas, relevant insights from the author's personal experience, questions to consider, and additional resources to find specific assistance. The author of Mom Minus Dad gleaned intimate knowledge of balancing her own life with a newly widowed parent. Ms. Haverkamp assisted her fifty-six-year-old widowed mother in Virginia while still running her real estate business in California after the early, unpredicted loss of her father to cancer. In her groundbreaking book, Haverkamp shares how she and her sister, both in their early thirties, found success and managed struggles during their journey after their father's death. This is a reference guide griever's will refer to during the year after loss and years beyond.

The Global Expatriate's Guide to Investing Andrew Hallam, 2014-10-14 Exploit your offshore status to build a robust investment portfolio. Most of the world's 200 million expats float in stormy seas. Few can contribute to their home country's social programs. They're often forced to fend for themselves when they retire. The Global Expatriate's Guide to Investing is the world's only book showing expats how to build wealth overseas with index funds. Written by bestselling author Andrew Hallam, it's a guide for everyone, no matter where they are from. Warren Buffett says you should buy index funds. Nobel prize winners agree. But dangers lurk. Financial advisors overseas can be hungry wolves. They don't play by the same set of rules. They would rather earn whopping commissions than follow solid financial principles. The Global Expatriate's Guide To Investing shows how to avoid these jokers. It explains how to find an honest financial advisor, one that invests with index funds instead of commission-paying windfalls. You don't want an advisor. Fair enough. Hallam shows three cutting-edge index fund strategies. He compares costs and services of different brokerages, whether in the U.S. or offshore. And he shows every nationality how to invest in the best products for them. Some people want stability. Some want strong growth. Others want a dash of both. This book also answers the following questions: How much money do I need to retire? How much should I be saving each month? What investments will give me both strong returns and safety? The Global Expatriate's Guide To Investing also profiles real expats and their stories. It shows the mistakes and successes that they want others to learn from. It's a humorous book. And it demonstrates how you can make the best of your hard-earned money.
