Monster strategies will be discussed in detail as you encounter them throughout the walkthrough, featuring elemental and status information and drop lists. The guide also features a fully detailed bestiary for those who just want information about specific monsters, unaccompanied by a walkthrough. Trophy achievement information can also be found in a separate trophy achievement guide, although be warned: many trophies/achievements in Monster Hunter World are easier said than done. Other features of this guide include: Information on crafting/harvesting. Side quests that unlock mantles, ingredients, and other useful features.
