Secret Trails and Buried Treasure Savta Chapman, 2015-07-27 Within every human spirit, there exists a special place, a place where the hopes and dreams of the imagination soar unchained from the slavery of logic and the tangible physical world. A place where the supernatural culture of Heaven's Kingdom is the fullest reality. For some, visiting this unique place is a frivolous waste of time, a mental blowing of dust bunnies. For others, this place becomes the mountain meadow within the soul, the sweeping expanse of rugged peaks, wildflowers, and fragrant grasses where streams of pure glacial water tumble and crash in prismatic waterfalls where the spirit runs free, dancing in worship and joy. It is a place where the impossible flourishes where dreams survive the inferno of reality to become the miraculous wonders that draw us forward into the Father's presence. It is a spiritual journey for the spiritual pilgrim; it is the place where the supernatural is the expected reality. It is a place where hardships, devastations, sorrow, pain, and peril pass through the savage cleansing fire to be transformed into a rare and
