

Motivation Letter for Scholarship

Dear Sir/Madam,

My Name is [Name], and currently, I am a student of [course] at the [college]. After completing my degree course, I plan to follow up with a 1-year course in [course name].

While in High School, I worked for many hours with my [committee name] to help with the [work details]. I learned about [process] from beginning to result. Being a part of the process made me realize how much I love [field]. Whatever be the situation and time, I never tired of doing [project details]. During those years, I realized that this is what I want to do my whole life, not just as a helper but as a professional.

Once my mind was set, I started seeing the entire process in a different light. Even my teachers think that I am a natural at it. My educational mindset is simple: stability and function. I have the determination to study comprehensively, and I hate shortcuts. A trait that has given me a vast knowledge spectrum. I have even enrolled in many classes that give me a crossover of [subject] significant and a comprehensive view of how things are done. I have also worked for three extra credits under my professor of [subject] to gain a research perspective.

I want to become a [profession] so that I can provide [service] to my community. Living in [place] I have seen a lot of houses go through tough times. I want to help families like my friend's family. I have seen homes break under [problems]. I aim to help in all the way I can.

I have decided all of this not just by feeling, but also by practicality. I have interned under [Name] who runs the [company] in my neighbourhood to get the practical experience needed for this field.

I want to thank you for considering me and am hopeful that you will find me right for the scholarship. With your assistance, I can make a change, though small.

Thanks,

Your Truly,

XYZ
