The Perfect Secret Rob Buyea, 2019-10-15 From the beloved

author of *Because of Mr Terrupt* comes the sequel to *The Perfect Score* about a lovable group of students at Lake View Middle School and the rewards and challenges of seventh grade. These students are in for a year of secrets, discoveries, and kid power. GAVIN finally joins the football team, a dream come true, but Coach Holmes refuses to play him for reasons that also threaten to tear Gavin's family apart. When RANDI attends an elite gymnastics camp, she uncovers a startling family connection. SCOTT starts researching an article for the school newspaper and stumbles right into a hornet's nest of lies. With his loser older brother Brian out of the house, TREVOR's life is loads better until he realizes that only he can save Brian from getting into deep trouble. NATALIE's top goals: 1. find out why Mrs. Woods and Mrs. Magenta no longer speak to each other, a mission shared by all the kids; and 2. teach a certain someone an important life skill without anyone knowing. It's tough keeping secrets. And tougher still to deal with the fallout when secrets spill out.

Close Writing Paula Bourque, 2023-10-10

How closely do your students read their writing? What are the implications for those who do and those who don't? During her work in classrooms, literacy coach Paula Bourque noticed that students who read their own writing closely are engaged in their work, write fluently, are able to produce lengthy drafts, and incorporate teaching points from mini lessons into the day's writing. In this comprehensive book, Paula shows you that no matter what structures or lessons you use in your writing classroom, the strategies in *Close Writing* will help you make these better by creating student writers who are more aware of what effective writing looks like, who care about what they write, and who take ownership and responsibility for their growth as writers. Paula argues that a key element in close writing is learning to look and looking to learn by closely reading our own writing. Instead of focusing on the mechanics of their writing, she encourages students to read their words for understanding, clarity, and the effect they will have on an audience. She urges them to recognize their habits and their approaches to writing and to build upon them. *Close Writing* is based on research and methods that are reliable and valid best practices, but it will not prescribe lessons or structures. It gives you a peek inside classrooms where teachers just like you are working with budding authors just like yours. Paula also provides considerations for ELL writers, as well as a section of interviews with authors. She shares an extensive reference resource guide and a companion website with students' work samples, reproducibles, and templates, and videos of classroom writing lessons. Round out this must-have resource.

The Perfect Star Rob Buyea, 2020-10-20

Return to Lake View Middle School in the third book of the PERFECT SCORE series from the beloved author of *Because of Mr Terrupt*. Eighth grade promises to be an unforgettable year of tears, laughter, surprises, and star power. GAVIN's days of football glory have arrived, but an accident on the home front upends his family. Ever enterprising NATALIE anchors a morning news broadcast at school where she's unafraid to tackle big issues. Being on the outs with his best friend sucks, but the more TREVOR tries to patch things up, the worse things get. Sidelined with a gymnastics injury, RANDI develops a bad attitude and worries that her mom's new boyfriend means changes she won't like. SCOTT discovers hidden talents and becomes a secret weapon on and off the football field. It's the final year of middle school, a time to play hard, smart, and
