Handbook of Empirical Research on Islam and Economic Life M. Kabir Hassan, 2016-12-30 In Islamic jurisprudence a comprehensive ethic has been formulated governing how business and commerce should be run how accountability to God and the community is to be achieved and how banking and finance is to be arranged This Handbook examines how well these values are translated into actual performance It explores whether those holding true to the system are hindered and put at a disadvantage or whether the Islamic institutions have been able to demonstrate that faith based activities can be rewarding both economically and spiritually Data-Centric Business and Applications Natalia Kryvinska, Michal Greguš, 2019-07-16

This book explores various aspects of data engineering and information processing In this second volume the authors assess the challenges and opportunities involved in doing business with information Their contributions on business information processing and management reflect diverse viewpoints not only technological but also business and social As the global marketplace grows more and more complex due to the increasing availability of data the information business is steadily gaining popularity and has a huge impact on modern society Thus there is a growing need for consensus on how business information can be created accessed used and managed *Starting a Hedge Fund* Daniel L. Jones, 2014-12-08 Starting a Hedge Fund A Student s Journey into the World of High Finance profiles the beginning of Daniel Jones adventure where he transforms himself from a typical university student to a hedge fund manager Not wanting to take the slow route that many managers opt for Daniel pushes to start his fund while in college This piece is an autobiographical account of this process and discusses the bumpy road that accompanies any start up enterprise Along the way Daniel takes readers through not only the events that led him to set up his fund but also explores the nature of investing as he sees it As an avid value and contrarian investor it becomes clear to see that the secret behind successful investing is to acquire strong companies at attractive prices In an effort to maximize reader value Daniel sets aside a portion of each chapter to dive into an important investment topic and has an entire chapter at the end of the book dedicated to a treatise on investing Handbook of Micro

Health Insurance in Africa Hans Jürgen Rösner, 2012 Micro health insurance is an emerging concept to reduce poverty and social exclusion and improve health care access The Handbook of Micro Health Insurance in Africa gives an overview of the challenges and needs in the field of micro health insurance Focusing on Sub Saharan Africa where universal social health protection still has a way to go the Handbook provides an introduction to the relatively new and promising approach of micro insurance as a risk management tool for low income households between the market self help and the state This book is an output of the project Pro MHI Africa which is funded by the European Union and directed by the University of Cologne in cooperation with the University of Botswana the University of Ghana and the University of Malawi Series Social Protection in Health Challenges Needs and Solutions in International Health Care Financing Vol 1 *Data Science for Financial*

Econometrics Nguyen Ngoc Thach, Vladik Kreinovich, Nguyen Duc Trung, 2020-11-13 This book offers an overview of state of

the art econometric techniques with a special emphasis on financial econometrics There is a major need for such techniques since the traditional way of designing mathematical models based on researchers insights can no longer keep pace with the ever increasing data flow To catch up many application areas have begun relying on data science i e on techniques for extracting models from data such as data mining machine learning and innovative statistics In terms of capitalizing on data science many application areas are way ahead of economics To close this gap the book provides examples of how data science techniques can be used in economics Corresponding techniques range from almost traditional statistics to promising novel ideas such as quantum econometrics Given its scope the book will appeal to students and researchers interested in state of the art developments and to practitioners interested in using data science techniques

Microfinance and Its Impact on Entrepreneurial Development, Sustainability, and Inclusive Growth Das, Ramesh Chandra, 2018-06-15
