Bhubhindar Singh, Sarah Teo

Myanmar Blue Book 2017 :

Asianism and Universalism Michael J. Green,2021-09-30 This collection of essays addresses the interplay of democratic norms and cultural identity within Asia The overall question for the volume is how the dueling identities of Asianism regional exceptionalism and universalism democratic norms are shaping state discourse and behavior in Asia This is based on a dialogue of scholars organized by CSIS to examine national perspectives on Asianism and universalism across the region as well as the role of regional democracies in developing a common understanding of rules and norms as the foundation for a more stable regional order The introduction provides context for these normative debates in the region and addresses the potential to prioritize democracy promotion in foreign policy strategy as segue to essays analyzing normative debates in Japan South Korea India Indonesia and the United States

Handbook of Japan's Foreign and Domestic Policies During the Decade of Abe Tosh Minohara,2025-10-01 No Japanese leader has dominated Japan s recent political landscape more than the late Abe Shinzo With the this as the basic premise the main objective of this compiled volume is to examine and assess Japan s foreign and domestic policies during the 2010s a decade which largely overlaps with Abe s tenure as prime minister This book is much more than a mere study of Abe s leadership however as it ventures far beyond the traditional scope of diplomatic and political history by incorporating a multidisciplinary approach As such the contributors comprise not only historians and political scientists but also sociologists economists legal experts journalists and practitioners of diplomacy This diversity in backgrounds makes it possible to examine a much wider range of topics and themes that clearly illuminate the multitude of challenges that Japan faced in the decade as well as how it responded to those challenges leading to a more thorough understanding of the path that Japan took in the 2010s

Japan's International Democracy Assistance as Soft Power Maiko Ichihara,2017-08-15 Japan has increasingly emphasized democracy assistance since the mid 2000s such that it now constitutes a major part of Japan s foreign policy This approach is an ostensible departure from the country s traditional foreign policy stance which tries to avoid bringing values to the forefront of foreign policies This book intends to answer the questions of why Japan has started emphasizing democracy assistance and why it has relegated itself to a minor role in democracy assistance nevertheless It argues that Japan s emphasis on democracy assistance reveals its intention to increase its political influence with regards to China based on democratic values and its usage of the term democracy assistance is a performative speech act to orchestrate a comprehensive approach for international democracy support Shedding light on the novel aspect of Japanese policy this book contributes to the understanding of Japanese foreign policy and democracy promotion Providing the analysis that state s speech act could cause to create foreign policies that counter what is predicted by structural realism this analysis makes contributions to neoclassical realism which explains states foreign policy choices within the constraints of international structure

Rising Powers and Peacebuilding Charles T Call,Cedric de Coning,2017-08-29 This book is open access under a CC BY 4 0 license

This edited volume examines the policies and practices of rising powers on peacebuilding. It analyzes how and why their approaches differ from those of traditional donors and multilateral institutions. The policies of the rising powers towards peacebuilding may significantly influence how the UN and others undertake peacebuilding in the future. This book is an invaluable resource for practitioners, policy makers, researchers, and students who want to understand how peacebuilding is likely to evolve over the next decades. *Diplomatic Bluebook* Japan. Operationalisation of Hybrid Peacebuilding in Asia Yuji Uesugi, Anna Deekeling, Sophie Shiori Umeyama, Lawrence McDonald-Colbert, 2021-04-06. This open access book explores common critiques in the literature of hybrid peacebuilding, especially the lack of connection between hybridity in theory and practice. Through using a complexity informed framework, the foundation for introducing the mid space actor typology is established. Mid space actors as insider partial mediators are perceived to be vital agents for peace processes in conflict affected areas and thus can be important power brokers and focal points for outside actors. In this book, two insider views are examined through analysing mid space actors in the peacebuilding process in Cambodia and in Mindanao, the Philippines. First, it explores the process of identity building of Cambodian monks and how such a process enables or hinders the monks to bridge existing cleavages. Then, in the case study of Mindanao, the roles of civil society actors are considered. The next step is to introduce the outsider's perspective on hybrid peacebuilding and how Asian peacebuilding actors such as China and Japan are engaging with mid space actors who provide key bridges in peacebuilding.

Balancing Structural Power Samuel Schlichting, 2025-07-16. Great power politics has returned to the global stage. It leads to complex balancing games among the leading countries of the world, not only in terms of military power but also with regard to resources, productive capacities, infrastructure, and narratives. For Eurasia, China's phenomenal rise is a political game changer. Against the background of the Belt and Road Initiative (BRI) and China's ever increasing presence in the former post-Soviet region of Central Asia, this book develops the concept of Structural Power to adopt International Relations theory to the empirical reality of great power politics in the early 21st century.

Myanmar (Burma) since the 1988 Uprising Andrew Selth, 2022-01-24. Updated by popular demand, this is the fourth edition of this important bibliography. It lists a wide selection of works on or about Myanmar published in English and in hard copy since the 1988 pro-democracy uprising, which marked the beginning of a new era in Myanmar's modern history. There are now 2 727 titles listed. They have been written, edited, translated, or compiled by over 2 000 people from many different backgrounds. These works have been organized into thirty-five subject chapters containing ninety-five discrete sections. There are also four appendices, including a comprehensive reading guide for those unfamiliar with Myanmar or who may be seeking guidance on particular topics. This book is an invaluable aid to officials, scholars, journalists, armchair travellers, and others with an interest in this fascinating but deeply troubled country.

Bangladesh's Maritime Policy Abul Kalam, 2018-10-03. Following successive international legal verdicts, Bangladesh is now an accredited maritime state. Possessing a spacious territorial sea

and an extended continental shelf with a maritime zone almost equalling its land borders a window of opportunity has opened for the country to realise its developmental aspirations Yet it faces numerous challenges many of which are entwined This book is a detailed analysis of Bangladesh s maritime strategy It charts the country s maritime legacies including disputes with both Myanmar and India and analyses the contributions of the leadership in the maritime territorial gains The author examines Bangladesh s need to consolidate these newly reclaimed gains whilst exploring the unrelenting interest of major global power players in maintaining maritime resource exploitation navigation and security Finally the author demonstrates how the country needs to embrace the notional principles of sustainable development of its ocean economy to utilize its resources and how it has since been coming to grips with the emerging concept of blue economy to enhance its enduring national development The first systematic study on Bangladesh s maritime policy and the country s importance in the emerging geopolitical rivalry in the Indian Ocean this book will be of interest to academics in the field of South Asian and Indian Ocean politics

Myanmar's Rohingya Genocide Ronan Lee, 2021-01-28 The genocide in Myanmar has drawn global attention as Nobel Peace Prize laureate Aung San Suu Kyi appears to be presiding over human rights violations forced migrations and extra judicial killings on an enormous scale This unique study draws on thousands of hours of interviews and testimony from the Rohingya themselves to assess and outline the full scale of the disaster Casting new light on Rohingya identity history and culture this will be an essential contribution to the study of the Rohingya people and to the study of the early stages of genocide This book adds convincingly to the body of evidence that the government of Myanmar has enabled a genocide in Rakhine State and the surrounding areas

The Belt and Road Initiative Julien Chaisse, Jędrzej Górski, 2018-09-24 This 28 chapter volume brings together academics and practitioners to provide a comprehensive legal economic and political analysis of the Belt and Road BRI initiative that has emerged since 2013 as a key feature of China s international economic policy It offers a fundamentally novel approach towards international trade investment and global governance in an unsettled time of shifting geopolitics when many institutions developed in the West are being called into question The book covers a broad range of BRI related international economic law and policy issues including trade facilitation and connectivity economics and geopolitics of new trade routes foreign direct investment law bilateral investment treaties free trade agreements financing of infrastructure development aid international dispute resolution and regional economic integration

Minilateralism in the Indo-Pacific Bhubbinder Singh, Sarah Teo, 2020-05-05 While US centred bilateralism and ASEAN led multilateralism have largely dominated the post Cold War regional security architecture in the Indo Pacific increasing doubts about their effectiveness have resulted in countries turning to alternative forms of cooperation such as minilateral arrangements Compared to multilateral groupings minilateral platforms are smaller in size as well as more exclusive flexible and functional Both China and the US have contributed to minilateral initiatives in the Indo Pacific In the case of the former there is the Lancang Mekong Cooperation mechanism involving China Cambodia Laos Myanmar

Thailand and Vietnam established in 2015 In the case of the latter there has been a revival of the Quadrilateral Security Dialogue in 2017 involving the US Australia Japan and India This book examines the rise of these arrangements their challenges and opportunities as well as their impact on the extant regional security architecture including on the ASEAN led multilateral order A valuable guide for students and policy makers looking to understand the nature and development of minilateralism in the Indo Pacific region *Diplomatic Bluebook* ,2015 Ceasefires Govinda Clayton,Simon J. A.

Mason,Valerie Sticher,Andreas Wenger,2025-03-03 A policy relevant study of when and how ceasefires lead to peace Almost all intrastate conflicts involve ceasefire agreements yet little is known about which factors make a ceasefire effective in stopping violence and ultimately ending intrastate conflict Ceasefires explores the complex relationship between the ceasefire and political negotiation processes and examines how they can either reinforce or impede each other Case studies from the joint perspectives of practitioners and scholars cover conflicts in Bosnia Burundi Colombia Darfur El Salvador Myanmar the Philippines Sudan North South and Syria This in depth analysis of ceasefires offers a unique framework for future mediators and negotiators as well as scholars of the intrastate peace process to enable them to identify a spectrum of potentially acceptable ceasefire agreements and sequencing approaches **Guide to RRB Junior Engineer Mechanical**

The Road to Federalism in Nepal, Myanmar and Sri Lanka Michael Breen, 2018-01-19 Nations built on exclusion and assimilation, decades of civil war, widespread poverty, authoritarianism, and the decline of democracy: Nepal, Myanmar, and Sri Lanka are travelling a road to federalism. Institutions and ethnic identity have interacted to privilege some and marginalise others. But when the right conditions prevail, political equality can be restored. This book charts the origins and evolution of federalism and other approaches to the accommodation of minority ethnic groups in Nepal, Myanmar, and Sri Lanka. It applies a historical institutionalism methodology to understand why federalism has been resisted, what causes it to be established, and what design options are most likely to balance otherwise competing centripetal and centrifugal forces. Breen shows how Nepal, Myanmar, and Sri Lanka are finding a middle ground whereby deliberative and moderating institutions are combined with accommodating ones to support a political equality among groups and individuals.
