Myles Munroe A Legacy Of Leadership:

The Power of Character in Leadership Myles Munroe, 2014-01-01 How to Protect Your Leadership Influence and Power You've worked hard to achieve your dreams and goals. Many others have done the same only to lose it all in the end. Every day we read about successful people in various walks of life who have lost their power and influence. They've been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force or character. Every human being is a leader over some domain as he or she exercises gifts and influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In *The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders*, you will discover what character is, what it means to develop moral force, and how to preserve your leadership influence so that it is both effective and enduring. *A Leader of Purpose and Power* Myles Munroe, 2024-10-01 Experience a personal revelation of your leadership capacity. Leadership is not an elite gift. Every person has the instinct and capacity for leadership. Best-selling author Dr. Myles Munroe offers daily practical and biblical advice for living in the fullness of your leadership abilities, no matter where you are along your path of leadership. Based on his popular books *The Spirit of Leadership* and *Becoming a Leader*, this 90-day devotional will help you discover your inherent aptitude to lead and the special qualities of the spirit of leadership. Each day's devotion features insights and encouragement, a motivating thought for the day, and a Scripture reading. Included are 10 Powerful Attitudes for Leadership. Every human possesses the potential to lead, but most haven't found their passion to lead. Although we all have leadership abilities, we often do not have the understanding, courage, or will to cultivate them. That is why trapped within every follower is a hidden leader. True leadership goes far beyond the mechanics that many leadership programs promote. It has more to do with discovering a sense of meaning and significance and of aligning your life with your purpose to adopt a natural leadership style in the arena of your gifting. Then you can develop the spirit of leadership, which includes the qualities of passion, initiative, teamwork, innovation, persistence, discipline, focus, confidence, self-cultivation, patience, peace, and compassion, as well as the ability to identify priorities, set goals, and manage your time. Discover and recover your leadership spirit, enabling you to become a Leader of Purpose and Power. *The Mystique of Leadership* Alex Ihama, 2015-12-14 Alex Ihama has done a superb job of digging deep into the existential aspects of leadership while simultaneously staying pragmatic in his approach and application. Dr. Sam Chand, Author *Leadership Pain*, Georgia, USA. This book is heaven's voice of legacy that has the power to create a history that will resonate a sound for true preservation. R. Pepe Ramnath, PhD, Author *The Genetics of Vision*, Florida.
