Reconsidering Flannery O'Connor Alison Arant, Jordan Cofer, 2020-11-24 Contributions by Lindsay Alexander Alison Arant Alicia Matheny Beeson Eric Bennett Gina Caison Jordan Cofer Doug Davis Doreen Fowler Marshall Bruce Gentry Bruce Henderson Monica C Miller William Murray Carol Shloss Alison Staudinger and Rachel Watson The National Endowment for the Humanities has funded two Summer Institutes titled Reconsidering Flannery O'Connor which invited scholars to rethink approaches to Flannery O'Connor's work Drawing largely on research that started as part of the 2014 NEH Institute this collection shares its title and its mission Featuring fourteen new essays Reconsidering Flannery O'Connor disrupts a few commonplace assumptions of O'Connor studies while also circling back to some old questions that are due for new attention The volume opens with New Methodologies which features theoretical approaches not typically associated with O'Connor's fiction in order to gain new insights into her work The second section New Contexts stretches expectations on literary genre on popular archetypes in her stories and on how we should interpret her work The third section lovingly called Strange Bedfellows puts O'Connor in dialogue with overlooked or neglected conversation partners while the final section O'Connor's Legacy reconsiders her personal views on creative writing and her wishes regarding the handling of her estate

upon death With these final essays the collection comes full circle attesting to the hazards that come from overly relying on O'Connor's interpretation of her own work but also from ignoring her views and desires Through these reconsiderations some of which draw on previously unpublished archival material the collection attests to and promotes the vitality of scholarship on Flannery O'Connor

Remember Me Like This Bret Anthony Johnston, 2015-02-03 Enthralling an exquisitely moral mystery of how we struggle to accept and love the people we call family The New York Times Book Review Editor's Choice NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review Esquire BookPage A gripping novel with the pace of a thriller but the nuanced characterization and deep empathy of some of the literary canon's most beloved novels *Remember Me Like This* introduces Bret Anthony Johnston as one of the most gifted storytellers writing today With his sophisticated and emotionally taut plot and his shimmering prose Johnston reveals that only in caring for one another can we save ourselves Four years have passed since Justin Campbell's disappearance a tragedy that rocked the small town of Southport Texas Did he run away Was he kidnapped Did he drown in the bay As the Campbells search for answers they struggle to hold what's left of their family together Then one afternoon the impossible happens The police call to report that Justin has been found only miles away in the neighboring town and most important he appears to be fine Though the reunion is a miracle Justin's homecoming exposes the deep rifts that have diminished his family the wounds they all carry that may never fully heal Trying to return to normal his parents do their best to ease Justin back into his old life But as thick summer heat takes hold violent storms churn in the Gulf and in the Campbells hearts When a reversal of fortune lays bare the family's greatest fears and offers perhaps the only hope for recovery each of them must fight to keep the ties that bind them from permanently tearing apart Praise for *Remember Me Like This* An achingly beautiful and psychologically insightful portrait of a family a fully immersive novel in which the language is luminous and the delivery almost flawless The Boston Globe Riveting flows like it was plotted by Dennis Lehane but feels like it was written by Jonathan Franzen Esquire Tremendously moving There's real humanity in Johnston's writing and it's heartening to spend time with these folks as they relearn how to be a family Ron Charles The Washington Post Deeply empathetic and masterfully constructed a novel that has both the feel of a great epic and the focused intensity of standing on a highwire Salon
