

dédaigne de l'action politique ». En effet, la « vie contemplative » que même le philosophe peut faire cabler la vie active. Aristote en effet n'a fait que l'éloge de la pensée pure sans penser à l'action qui doit accompagner la pensée du philosophe. La philosophie alors détournerait le philosophe de la nécessité de l'action. Elle serait ainsi, selon Hanna Arendt, responsable de la montée en puissance des régimes totalitaires en Europe au XX^{ème} siècle. Mais le fait que Hanna Arendt remette la philosophie en question, permet d'une certaine façon de réhabiliter la philosophie. Ainsi la philosophie ne serait-elle donc pas dangereuse mais indispensable à l'équilibre de l'humanité si elle s'associe avec l'action ? Serait-ce donc au contraire l'action de ne pas philosopher qui pourrait être encore plus dangereuse ?

Malgré les mauvais usages et les dérives qu'a connu la philosophie, elle n'en reste pas moi indispensable et vitale pour les hommes. Pourquoi donc avoir une représentation péjorative de la philosophie à cause de personnes qui la dénigrent, la discréditent et qui n'ont fait que la dévier de son sens premier ? La philosophie n'est pas dangereuse pour l'humanité. C'est une attitude, une façon d'être, qui depuis l'Antiquité, guide les hommes, les raisonne et les aide à développer la faculté de penser par soi-même. Si la philosophie serait vraiment dangereuse, qu'est-ce qui expliquerait donc sa permanence dans le temps ? Cela ne signifierait-il pas son importance, son sens et sa valeur pour les hommes ? Ainsi dans quelle mesure [s'il voudrait écouter les opposants à la philosophie] devrions-nous interdire aux philosophes de philosopher et empêcher que cette façon d'être et de pensée se démocratise ? Serait-ce vraiment légitime ? Au contraire ne serait-il pas plus dangereux de ne pas philosopher que de philosopher ? Il serait en effet complètement illégitime et dangereux de ne pas philosopher. Ne pas philosopher impliquerait danger. Il y a une nécessité de s'interroger sur des questions d'ordre moral ou politique par exemple. Rien que le fait d'exister parmi les autres pose le problème de questions d'ordre moral. Se demander quand s'arrête ma liberté et quand commence celle d'autrui, tant de questions morales qu'il serait tout à fait illégitime de ne pas se poser. Car celui qui ne se pose ce genre de question n'est-il pas dangereux pour autrui ? Le fait qu'il ne s'intéresse pas aux autres n'est-ce pas immoral ? La personne qui ne pose ce genre de questions philosophiques indispensables à l'humanité est une personne moralement irresponsable, dépourvu de conscience et de raison. La réflexion philosophique permet de prendre autrui en considération.
