Doppler Erlend Loe Analyse

Erlend Loe

Doppler Erlend Loe Analyse:

Doppler Erlend Loe, 2012-06-06 A Guardian Book of the Year and Chapters Indigo Best Book A bestseller in Scandinavia Doppler is the enchanting subversive and very unusual story about one man and his moose This beguiling modern fable tells the story of a man who after the death of his father abandons his home his family his career and the trappings of civilization for a makeshift tent in the woods where he adopts a moose calf named Bongo Or is it Bongo who adopts him Together they devote themselves with some surprising results to the art of carefree living Hilarious touching and poignant in equal measure you will read it with tear stained cheeks and sore sides Doppler is also a deeply subversive novel and a strong criticism of modern consumer culture

Cabins in Modern Norwegian Literature Ellen Rees, 2014-03-06 This book examines the significance of cabins and other temporary seasonal dwellings as important symbols in modern Norwegian cultural and literary history The author uses Michel Foucault's notion of the heterotopia an actual place that also functions imaginatively as a kind of real world utopia to examine how cabins have signified differently during successive periods from an Enlightenment trope of simplicity and moderation through the rise of tourism into a period of increasing individualism and alienation from nature For each period discussed the author relates a widely recognized real world cabin to a cluster of thematically related literary texts from a wide variety of genres Cabins in Modern Norwegian Literature considers both central canonical works such as Camilla Collett's The District Governor's Daughters Bjørnstjerne Bjørnson's Synnøve Solbakken Henrik Ibsen's When We Dead Awaken and Knut Hamsun's The Growth of the Soil as well as less widely known literary works and texts from marginal genres such as hunting narratives and crime fiction In addition the book contains analyses of a few key films from the contemporary period that also activate the cabin as a motif The central argument is that while Norwegians today tend to think of cabin culture as essentially unchanging over a long span of time it has in fact changed dramatically over the past two hundred years and that it is an extremely rich and complex cultural phenomenon deeply imbedded in the construction of national identity

Norsk litterær årbok 2007, 2007 rets utgave av Norsk litterær årbok inneholdt mellom anna artiklar om roman og lyrikk ret 2006 Ibsen ret Sigbjørn Obstfelders dikt Genre deLillos og det mannlige teksten mellom Hellbillies og Olav H Hauge samt om Nordisk rds litteraturpris 2006 som gikk til Sara Stridsberg

Enden på verden som vi kender den Erlend Loe, 2016-02-02 Verden er af lave og på vej mod enden det tror i al fald Doppler som vendte civilisationen ryggen og flygtede ud i vildmarken for flere år siden Efter at have vandret rundt i de svenske skove kommer han i tanke at han har kone og barn og forsøger nu at komme tilbage til familien Han anbringer elgen Bongo i en pension for hjortedyr og drager ind til Oslo Han glæder sig til at se Solveig og ungerne igen men hans gamle hus ser helt anderledes ud Det er blevet malet blåt Også navnene på postkassen er ændret hans eget navn er fjernet og et nyt sat ind EGIL HEGEL Doppler tror han har nået bunden men han er kommet ind i en uheldig spiral og krænkelserne er kun lige begyndt
