A Moral Defense of Recreational Drug Use Rob Lovering,2015-08-12 Why does American law allow the recreational use of some drugs such as alcohol tobacco and caffeine but not others such as marijuana cocaine and heroin The answer lies not simply in the harm the use of these drugs might cause but in the perceived morality or lack thereof of their recreational use Despite strong rhetoric from moral critics of recreational drug use however it is surprisingly difficult to discern the reasons they have for deeming the recreational use of some drugs morally wrong In this book Rob Lovering lays out and dissects various arguments for the immorality of using marijuana cocaine heroin and other drugs recreationally He contends that by and large these arguments do not succeed Lovering s book represents one of the first works to systematically present analyze and critique arguments for the moral wrongness of recreational drug use Given this as well as the popularity of the morality based defense of the United States drug laws this book is an important and timely contribution to the debate on the recreational use of drugs
