Disobedience Naomi Alderman :

Disobedience Naomi Alderman, 2007-05-22 In this poignant debut novel a woman finds herself caught between the Orthodox Jewish community that raised her and the secular world that changed her *Disobedience* Naomi Alderman, 2006 From a major new voice in British fiction a hugely enjoyable and warm hearted portrayal of characters caught between two worlds and a wise exploration of sexuality tolerance and faith In a cramped synagogue in northwest London the eminent elderly rabbi passes away On the other side of the Atlantic his estranged daughter Ronit hears of her father's death and returns to London for the funeral She has not been home in almost a decade Ronit looks forward to a week or two of revisiting old friends perhaps settling old scores But she finds the community where she grew up in a more confusing place than she had anticipated *The Poetics of Otherness and Transition in Naomi Alderman's Fiction* José M. Yebra, 2020-01-28

This is the first book on Naomi Alderman's literary production and highlights the writer's transcultural recasting of British and Jewish traditions The four novels analysed here prove to be relevant not only from a literary viewpoint but also from the fields of ethics spirituality and politics The analysis thus focuses on issues such as alterity and respect towards the other in a globalized context As such the book will be of interest to literary critics researchers and students in the fields of literature ethics and social and cultural studies The reader will find in the text a comprehensive approach to a young writer who undoubtedly deserves attention given her interrogation of varied and socially relevant topics including gender and sexual orientation in the early twenty first century the rewriting of the Sacred Scriptures and the discourse of feminist posthuman dystopias **The Lessons** Naomi Alderman, 2011 Hidden away in an Oxford back street is a crumbling Georgian mansion unknown to any but the few who possess a key to its unassuming front gate Its owner is the mercurial charismatic Mark Winters whose rackety trust fund upbringing has left him as troubled and unpredictable as he is wildly promiscuous Mark gathers around him an impressionable group of students glamorous Emmanuella who always has a new boyfriend in tow Franny and Simon best friends and occasional lovers musician Jess whose calm exterior hides passionate depths And James already damaged by Oxford and looking for a group to belong to For a time they live in a charmed world of learning and parties and love affairs But university is no grounding for adult life and when years later tragedy strikes they are entirely unprepared Universal in its themes of ambition desire and betrayal this spellbinding novel reflects the truth that the lessons life teaches often come too late

Visualizing Jews Through the Ages Hannah Ewence, Helen Spurling, 2015-03-24 This volume explores literary and material representations of Jews Jewishness and Judaism from antiquity to the twenty first century Gathering leading scholars from within the field of Jewish Studies it investigates how the debates surrounding literary and material images within Judaism and in Jewish life are part of an on going strategy of image management the urge to shape direct authorize and contain Jewish literary and material images and encounters with those images a strategy both consciously and unconsciously undertaken within multifarious arenas of Jewish life from early modern German lands to late

Popescu, Monica Rűthers, Anne-Christin Sař, Joachim Schlör, Magdalena Waligórska, Mirjam Zadoff, 2015-09-22 The unifying thread of the interdisciplinary volume Jewish and Non Jewish Spaces in the Urban Context is the fact that Jewish spaces are almost always generated in relation to non Jewish spaces they determine and influence each other This general phenomenon will be scrutinized and put to the test again and again in a varied collection of articles by international experienced researchers as well as junior scholars using various urban contexts and discourses as data From the viewpoints of different temporal and regional research traditions and disciplines the contributors deal with the question of how Jewish and non Jewish spaces are imagined constructed negotiated and intertwined All examples and case studies together create a mosaic of possibilities for the construction of Jewish and non Jewish spaces in different settings The list of examined topics ranges from synagogues to ghettos from urban neighborhoods to caf s and festivals from art to literature This diversity makes the volume a challenging effort of giving an overview of the current academic discussion in Europe and beyond Although the majority of the contributions are focused on Central and Eastern Europe a more general tendency becomes apparent in all articles the negotiation of urban spaces seems to be a complex and ambivalent process in which a large number of participants are involved In this regard the volume would also like to contribute to trans disciplinary urban studies and critical research on spatial relations **Postcolonial Feminist Theology** Wietske de Jong-Kumru, 2013 This book engages with the critical tools of Edward Said 1935 2003 and traces the voyage of various postcolonial feminist theologians Along four intersecting lines postcolonial feminist theology unfolds as addressing cultural othering religious othering gendered othering and sexual othering In critical solidarity with those constructed as other postcolonial feminist theology the book challenges the norms of Western theology Series ContactZone Explorations in Intercultural Theology Vol 16 Bloomsbury Essential Guide for Reading Groups Susan Osborne, 2009-01-01 A book club gives the opportunity to meet up with friends and wake the brain up a bit with lively and often quite aggressive discussion Dawn French How do you keep your reading groups discussions lively and focussed If you want to gain new insight into literature and share your passion with friends this book offers readers guides for 75 of the very best reads guaranteed to provoke spirited debate Each of the readers guides includes a summary of the book a brief author biography discussion points to spark debate and a set of titles for further reading that deal with similar themes A background section provides pointers to more material about the book online and as well as further thought provoking material Where did the author come from What made them write the book How did the context in which they wrote influence them If you d like further insight debate discussion and analysis to underpin your understanding and enjoyment of reading then look no further than this guide New titles in this edition include
