Diversity Crime And Justice In Canada:

Diversity, Crime, and Justice in Canada Barbara Jean Perry, 2018 In *Diversity Crime and Justice in Canada* hate crime specialist Barbara Perry brings together 17 of the country's leading scholars to address issues of inequality as they intersect with crime and social justice. Students will discover how collective identities not just of race, class, and gender but of religion, ability, sexuality, age, play a crucial part in determining the nature of an individual's encounter with the criminal justice system. Integrating themes of history and context, power and powerlessness, and social and political action throughout the text, it examines the concept of difference, the specific issues that different groups face with respect to the justice system, and the kinds of reform necessary to mitigate inequalities. Thoroughly updated throughout, the second edition includes new pedagogical features that immerse students in the practicalities of criminal and social justice. The Making a Difference activity at the end of each chapter encourages students to create social change, and the new Case Study boxes explore a range of current and historical cases. The addition of a striking new visual program ensures that the second edition of *Diversity Crime and Justice in Canada* will be an invaluable resource for any course that examines social inequality in relation to the Canadian criminal justice system. Diversity in Criminology and Criminal Justice Studies

Derek M.D. Silva, Mathieu Deflem, 2022-05-12 This volume explores the theoretical and methodological maturity and diversity in reflexive accounts of criminology and criminal justice in a number of areas such as and teaching and research in criminology, queer criminology, the intersections of race and gender, indigeneity, and decolonization, domestic violence, and human rights.

Diversity and Justice in Canada Douglas Edwin King, John Winterdyk, 1999 The composition of the Canadian populace has changed dramatically since the 1970s. Recent demographic data indicate that the number of minority groups has burgeoned. Aside from obvious social and cultural changes confronting these groups in their assimilation and integration as Canadians, they also represent varying challenges for our criminal justice system. Furthermore, our notion of what constitutes minority groups has also evolved over recent years. Where once the criminal justice system saw only Canada's First Nation people as its primary minority group, it must today contend with the broader range of groups. In fact, very few studies have examined the treatment of other minority groups within the Canadian criminal justice system, and very few criminology or criminal justice textbooks have reflected these changes. This reader fills the void in the existing literature.

Diversity, Justice, and Community Beverly-Jean M. Daniel, 2016-12-16 This edited collection provides readers with a superb introduction to some of the contemporary issues related to diversity, community, and justice in the Canadian context. Grounded in theories of community justice and applied social justice, the text provides a historical, theoretical, and intersectional approach to understanding justice and its everyday manifestations for members of diverse populations in Canadian society. *Diversity, Justice, and Community* encourages reflection on the systemic factors that result in the production of criminality in marginalized and oppressed communities. The authors highlight the ways in which differently located groups

including Indigenous peoples women and girls Black males Somali youths the South Asian community and transgendered prisoners experience the justice system while also critiquing standard notions of justice and equity and pointing towards potential solutions to combat inequalities at both the community and institutional level Disrupting the taken for granted assumptions regarding who is a criminal Diversity Justice and Community takes an honest look at both the challenges and the opportunities that exist for Canada's increasingly multiracial multi ethnic multicultural and religiously and sexually diverse population Featuring chapter objectives discussion questions and additional resources this engaging text is ideal for students in criminal justice police studies police foundations and criminology programs **Pursuing Justice, 2nd Edition**

Margot Hurlbert, 2020-07-25T00:00:00Z Pursuing justice is daunting It plays out in a variety of contexts like the environment employment the criminal justice system and raises tough issues like racism gender discrimination and poverty But ultimately the aim of studying justice is to achieve it This book is about justice in Canada its definition its boundaries its contradictions and its nuances It is also about the mechanisms and practices that enable the pursuit of justice It problematizes the notion of justice while defining and pursuing the illusive notion of justice in Canadian society This second edition features updated content from the popular first edition as well as new content about social justice and racism the experiences of racialized persons with police settler colonialism and issues of justice for gender and sexual minorities all from a Canadian perspective Additionally each chapter contains objectives of the chapter case studies and discussion questions *Journalism's Racial Reckoning* Brad Clark, 2022-03-27 This book addresses endemic issues of racism in news media at what is a critical moment in time as journalists around the world speak out en masse against the prejudice and inequality in the industry As the events of 2020 the death of George Floyd the rise in prominence of the Black Lives Matter movement have drawn new and focused attention to inequality white supremacy and systemic racism including in the media this volume chronicles this racial reckoning revisiting and examining the issues that it has raised The author analyses media output by racialized and Indigenous journalists identifying the racial make up of newsrooms the dominance of white perspectives in news coverage interpretations of ethics downplaying systemic racism and bias ignorance of racist history in editorial decisions and news content and diversity and inclusion measures The actions taken by news organizations in response to the reckoning are also detailed and placed in the context of existing race and media scholarship to offer emerging strategies to address journalism's longstanding issues with racism in news content and newsrooms Grounding the interplay between news media and race within this pivotal moment in history this text will be an important resource for students and scholars of journalism
