Iron, Fire and Ice Ed West, 2019-04-09 Have you read everything George R R Martin has ever written Do you know what in Game of Thrones is based in real history A young pretender raises an army to take the throne Learning of his father's death the adolescent dashing and charismatic and descended from the old kings of the North vows to avenge him He is supported in this war by his mother who has spirited away her two younger sons to safety Against them is the queen passionate proud and strong willed and with more of the masculine virtues of the time than most men She too is battling for the inheritance of her young son not yet fully grown but already a sadist who takes delight in watching executions Sound familiar It may read like the plot of Game of Thrones Yet that was also the story of the bloodiest battle in British history fought at the culmination of the War of the Roses George RR Martin's bestselling novels are rife with allusions inspirations and flat out copies of real life people events and places of medieval and Tudor England and Europe The Red Wedding Based on actual events in Scottish history The poisoning of Joffrey Baratheon Eerily similar to the death of William the Conqueror's grandson The Dothraki Also known as Huns Magyars Turks and Mongols Join Ed West as he explores all of Martin's influences from religion to war to powerful women Discover the real history behind the phenomenon and see for yourself that truth is stranger than fiction

The Library of Ice Nancy Campbell, 2018-11-01 A wonderful book Nancy Campbell is a fine storyteller with a rare physical intelligence The extraordinary brilliance of her eye confers the reader a total immersion in the rimy realms she explores Glaciers Arctic floe verglas frost and snow I can think of no better or warmer guide to the icy ends of the Earth Dan Richards author of Climbing Days A vivid and perceptive book combining memoir scientific and cultural history with a bewitching account of landscape and place which will appeal to readers of Robert Macfarlane Roger Deakin and Olivia Laing Long captivated by the solid yet impermanent nature of ice by its stark rugged beauty acclaimed poet and writer Nancy Campbell sets out from the world's northernmost museum at Upernavik in Greenland to explore it in all its facets From the Bodleian Library archives to the traces left by the great polar expeditions from remote Arctic settlements to the ice houses of Calcutta she examines the impact of ice on our lives at a time when it is itself under threat from climate change The Library of Ice is a fascinating and beautifully rendered evocation of the interplay of people and their environment on a fragile planet and of a writer's quest to define the value of her work in a disappearing landscape The Library of Ice instantly transported me elsewhere This luminous book is both beautifully written and astute in its observations turning the pages of time backwards and revealing like the archive of the earth's climate stored in layers of solidified water the embedded meanings of the world's icy realms It is a book as urgently relevant as it is wondrous Julian Hoffman author of The Heart of Small Things An extraordinary work not only for the perspicacity and innate experience of the author who leads the reader carefully across intertwined icy tracks of crystallised geographics melting myths and frozen exploration histories but through her own tender diagnostics of what reading ice can show us in these times Perilous in its scope exacting in its

observation wild in intellect The Library of Ice captures the reader's attention almost as if caught in ice itself MacGillivray author of The Nine of Diamonds Sorroial Mordantless This is travel writing to be treasured A biography of ice the element that has another life with hard facts thawed and warmed by a poet's voice Campbell's writing is companionable curious deeply researched and with no bragging about the intrepidity that has taken her between winter dark Greenland Polar libraries Scottish curling rinks Alpine glaciers and Henry Thoreau's pond at Walden Jasper Winn author of Paddle **Media Marathoning** Lisa Glebatis Perks, 2014-12-11 Media Marathoning Immersions in Morality is a scholarly study of the intense relationship between reader and story world analyzing the way audiences become absorbed in a fictive text and dedicate many hours to exploring its narrative contours Rather than view these media experiences as mindless indulgences media marathoning connotes a conjoined triumph of commitment and stamina Compared to more traditional slower paced media engagement patterns media marathoning affords readers greater depth of story world engagement maximizing the emotional and cognitive rewards of the media experience Through immersive marathoning experiences audiences can seriously engage with mediated questions about human nature and society refining our orientation toward morality through internal dialogue about the story and communication with other readers as we process the meaningful journey As digital technologies facilitate easier user centered access to media texts narratives increase in complexity and more readers seek immersive story world experiences marathoning looks to be the new normal of media engagement Drawing from qualitative studies of book film and television marathoners along with textual analysis of commonly marathoned stories Media Marathoning presents a holistic look at marathoning's cultural impact *Watching Game of Thrones* Martin Barker, Clarissa Smith, Feona Attwood, 2021-03-23 Game of Thrones was an international sensation and has been looked at from many different angles But to date there has been little research into its audiences who they were how they engaged with and responded to it This book presents the findings of a major international research project that garnered more than 10 000 responses to an innovative qualitative quantitative questionnaire Among its findings are a new way of understanding the place and role of favourite characters in audiences responses new insights into the role of fantasy in encouraging thinking about our own world and an account of two combined emotions relish and anguish which structure audiences reactions to controversial elements in the series
