Isabella van Elferen, 2007 Nostalgia or Perversion Gothic Rewriting from the Eighteenth Century until the Present Day presents an interdisciplinary approach to an important aspect of Gothic texts films and music that of rewriting From the eighteenth century Gothic novel to present day vampire films and Goth music the genre is characterised by its nostalgic reflection on past worlds narratives and identities Gothic nostalgia is often accompanied by a transgressive drive resulting in perversions of the rewritten past the modern vampire is no longer embodied evil but an attractive dandy while Goth subcultures reflect on Victorian aesthetics but pervert them by adding fetishist elements Gothic nostalgia transforms the past turning it upside down foregrounding its background and corrupting its order In this volume an international group of philosophy literature film and music scholars investigates the instrumental role of nostalgia and perversion in the Gothic TM s rewriting of the past If elements of both nostalgia and perversion are operative in Gothic rewriting how are they connected How do they play out in differing media How do they change audiences TM views on the relationships between binaries such as past and present other and self and norm and deviation Nostalgia or Perversion brings together the early Gothic novel present day female and black Gothic literature Goth subculture and music and the imagery of horror films and comic books thus broadening the definition of Gothic TM from a literary genre to a gesture of pervasive cultural criticism The interdisciplinary analysis of nostalgia and perversion in Gothic rewriting uncovers wholly

new insights into the artistic and social functions of the Gothic making the volume useful to both scholars and students As the essays reflect on academic as well as popular texts and media it is also accessible to general readers Nostalgia or Perversion provides a sophisticated analysis of how the Gothic radically rewrites the past not as nostalgia but as a calculated act of transgression The past and how its reconstructions break down the boundaries between real and unreal and normal and abnormal is examined across a range of different media including novels films comic books television and music The essays in this collection also address how this issue shapes Gothic formulations of race sexuality and gender Both ambitious in scope and focused and rigorous in its analysis this book provides a critically important re evaluation of the Gothic tradition Andrew Smith University of Glamorgan UK **Abjection, Madness and Xenophobia in Gothic Fiction** Christian Wenk,2008
