Katana The Samurai Sword Weapon:

Katana Stephen Turnbull, 2011-01-01 The Samurai sword of Japan is probably the finest edged weapon ever made This volume by leading Samurai expert Stephen Turnbull reveals the story of how and why it achieved this distinction Particular attention is paid to the development of the familiar curved blade from the original straight blades the associated development of Japan s famous steel making techniques and the challenges from contemporary warfare Together with the technical details of forging polishing mounting and testing this volume is brought to life with details of the great swordmakers themselves Moreover no history of the sword would be complete without a detailed examination of its use in combat from the greatest Samurai armies to individual duels and revenge killings Personal accounts allow the reader to discover the art of Japanese swordsmanship in the hands of masters such as Miyamoto Musashi to the unnamed Japanese warrior defending his family s honour This lively text is perfectly complemented by artwork reconstructions of the sword in use and colour photographs of the swords in use

Japanese Swords Colin M. Roach, 2014-08-19 With over 300 stunning photographs and woodblock prints along with extensive historical and cultural commentary Japanese Swords is the ultimate authority on Samurai weaponry Historically Japanese warriors considered their swords to be far greater than simple weaponry Their swords were both lethal tools and divine companions social and religious icons Traditionally worn by the samurai as a sign of social status the Japanese sword represented the junction between the reigning military class and those whom they ruled Moreover the samurai sword was a technological and artistic marvel Many scholars consider it to be the finest sword ever constructed In terms of symbolism and historical importance no other blade comes close to the Japanese sword With a historical iconographical and technological perspective author Cohn M Roach provides an in depth study of these magnificent weapons in Japanese Swords This richly illustrated sword book weaves the blade s primary influences together tracking its history and illuminating its progress from infancy to grandeur By studying the evolution of the Japanese sword from this perspective we better understand Japan and its warrior archetype Combining research materials from multiple disciplines Roach uses his expertise as an educator to guide readers through the sword s rise to greatness in a unique way This book discusses the history development and spiritual symbolism of the sword as well as the esoteric metallurgical techniques used in making it It also covers the difficult training practices used by skilled swordsmen Japanese Swords also includes a companion video content featuring a beautifully filmed documentary that explores the traditional swordmaker s craft The video content also contains an introduction to the Japanese sword at a sword shop in Kyoto and a visit to a dojo for a beginner s class in the medieval sword drawing art called iaido
