Kenneth Hagin Learning To Forget:

Learning to Forget Kenneth E. Hagin, 1985-06 A basic ingredient necessary for success in Christian life and ministry is learning to forgive and to forget *Two Paradigms for Divine Healing* Pavel Hejzlar, 2009-11-23 The doctrine and practice of healing through faith has been a hallmark of Pentecostalism since its inception and helps to account for the widespread appeal of the movement While divine healing as it is called by insiders has brought hope to the sick it has also been a source of disenchantment and controversy The present study offers a close look at the teaching of four major ministers of healing in the twentieth century United States The author distinguishes between the healing evangelists and pastoral ministers of healing who react to them This book discusses in detail the merits of both schools and the author proposes a solution to the problems inherent in the two paradigms under scrutiny *Milestones* Cynthia Almaraz, 2010-04 MILESTONES THE BUILDING BLOCKS OF OUR LIVES They make us who we are and who we become A Milestone is a great achievement in life that cannot be forgotten One way that will be accomplished is by saying goodbye to the past and hello to the future No one ever successfully drives forward looking in the rear view mirror This in itself is a major accomplishment Letting go of what is behind of the old life and pressing forward and walking into what lies ahead in Christ Jesus Some typical examples of milestones are when one learns how to drive graduates from school leaves home for the first time marriage a first child a first job getting saved and for some it could even mean the first day sober There are three components that make up Milestones the spoken Word of God the empowerment of the Holy Spirit and substituting thinking changing the way we think This workbook will not just help you to take the right steps towards lasting recovery from addictions but it will create crucial landmarks in your life s journey So that you will become full of God s faith and power to venture on into your destiny Milestones can be used for individual or group growth Some may just want to work it alone as a personal reflection tool to solidify their faith But most will benefit from working it together in a support setting where the Milestones can be discussed in depth People who are in codependent relationships will benefit from Milestones too This book also contains information how to set up a faith based recovery program So if you have been searching for a Faith Based Spirit Empowered program that emphasizes the Rhema Word of God then look no further Milestones is here *Seven Steps for Judging Prophecy* Kenneth E. Hagin, 1982 In *Seven Steps for Judging Prophecy* discover how a Christian even a new believer can learn to sort out the few genuine prophets of God from the many false and judge their prophecies in the light of the Word of God **The Publishers' Trade List Annual** ,1985 **A Fresh Anointing** Kenneth E. Hagin, 1989-08 The Body of Christ is to be filled with God s power and glory This book exhorts believers to abide in the Presence of God so they can experience a fresh anointing each day *What to Do When Faith Seems Weak and Victory Lost* Kenneth E. Hagin, 1979-05 There is no need to be defeated God has given us His Word He is all the equipment we need Kenneth E Hagin writes in the preface to his book *What to Do When Faith Seems Weak and Victory Lost* I meet Christians all the time who have problems Rev Hagin continues

They have come to the place where they say I don't know what to do. Have you ever been there? This is the reason for this book. These 10 steps taken in sequence will bring anyone out of defeat into certain victory. In the book's summary, Rev Hagin warns: Do not make the mistake multiplied thousands of Christians are making. That is wondering and wavering concerning the will of God in anything that is promised by God. *Books in Print*, 1991

The Art of Prayer Kenneth E. Hagin, 1991

El arte de la oración conocido por los primeros Pentecostales virtualmente se ha perdido durante los últimos años. Sin embargo, para que Dios lleve a cabo lo que El desea, el verdadero arte de la oración debe ser revivido en la Iglesia. El libro de Kenneth E. Hagin, *El Arte de la Oración*, muestra cómo puede ser hecho esto y refleja el material nuevo y actualizado del Rev Hagin sobre este tema. El Rev Hagin anota: Creemos que Dios va a utilizar este libro para levantar y entrenar un gran número de personas que sepan cómo orar y que estén a la vanguardia de la obra del Señor en estos últimos días. Este texto es imprescindible para toda iglesia y para todo grupo de oración. Los capítulos en esta importante guía sobre el arte perdido de la oración cubren temas como: Oración por su patria, intercesión por los perdidos, oración por liberación, gemidos en el Espíritu, ayuno y oración por aquellos que están en pecado.
