Marketing Management through Artificial Intelligence for better Customer Engagement Dr Pacha Malyadri, Dr Bojja Suryanarayana Reddy, Dr Krishna Mayi Guptnath Trivedi, 2023-04-06 *Marketing Essentials - Everything you need to know to get started* Smita Kaushik, 2024-07-22 In today's competitive landscape understanding marketing is no longer optional it is essential for businesses of all sizes This book Marketing Essentials Everything you need to know to get started serves as your one stop guide equipping you with the fundamental knowledge and practical strategies you need to succeed Marketing Essentials provides a clear concise and engaging approach to marketing packed with real world examples and practical exercises to help you implement your learnings By the end of this book you will be well equipped to develop and execute a winning marketing strategy that drives results for your business *Business Process Outsourcing* VINOD V. SOPLE, 2009-05-25 This book is a comprehensive presentation of the fundamental concepts of business process outsourcing BPO and its applications in the Indian industrial context It offers a strategic framework for BPO management which is crucial for creating competitive advantage for a business enterprise The book is designed for MBA and PGDM students as well as students in BPO training schools and executives in BPO sector The text organized into sixteen chapters contains a wealth of useful and practical information on the following facets of the BPO industry Strategic tactical control and operational aspects of BPO administration BPO business models Regulatory and legal framework of the BPO industry Terms conditions responsibilities and obligations involved in the BPO contract and service level agreement Service issues regarding supplier selection and process quality Criteria for performance evaluation of service providers Challenges involving upward shift in service value chain as well as human resource management Chapter end review questions help in easy comprehension of the underlying principles The appendices contain important additional information about the BPO industry *Responsible Management Education* Ranjni Swamy, 2017-10-04 This edited collection emerged from the need to know how business schools in Asia are inculcating responsible management Data for the book was sourced from a the workshop proceedings of the 6th PRME Asia Forum held in November 2015 and b case studies submitted as part of the Forum Academics from India China Philippines New Zealand USA and Hong Kong who taught in Asia contributed to the workshop the case studies The book describes how some Asian business schools are incorporating ethics social responsibility and sustainability into their curricular and extra curricular activities It identifies the challenges faced in providing such education and the implications thereof In the process it captures the unique flavour of Asian business schools Business schools in Asia appear to have introduced several stand alone courses on ethics and corporate responsibility They have adopted pedagogies suited to the profile of their students Many have promoted a concern for the poor through volunteering projects or internships with NGOs However few have made responsible management a central part of their business school curriculum Greater integration of responsible management into the curriculum requires supportive administrative policies greater cross functional interaction

and the development of context appropriate learning materials Target 3 Billion A P J Abdul Kalam,2011-11-01 With 750 million people living in villages India has the largest rural population in the world Based on his Indian experience Dr Kalam recommends a sustainable and inclusive development system called PURA Providing Urban Amenities in Rural Areas to uplift the rural masses not by subsidies but through entrepreneurship with community participation To make his case Dr Kalam cites the examples of individuals and institutions in India and from across the world who with an entrepreneurial spirit and a burning desire to make a difference have successfully generated and tapped into the potential of the rural masses Fabio Luiz de Oliveira Rosa changed the face of the rural district of Palmares Brazil by acquiring for the farmers access to electricity and water which effect combined with better agricultural methods led to an increase in prosperity and stemmed the migration to the cities The 123 strong Magar clan owned Magarpatta a 430 acre plot on the outskirts of Pune Maharashtra In the 1990s they organized and set up the Magarpatta city which is now home to over 35 000 residents and a working population of 65 000 and boasts of an IT park *THE ART OF PREDICTING THE FUTURE TRENDS* AŞKIM NURDAN TÜMBEK TEKEOĞLU,FİGEN YILDIRIM,NECLA İLTER KÜÇÜKÇOLAK,2024-05-15 The Art of Predicting the Future Trends is a scholarly resource that offers a deep dive into each of Faith Popcorn s 17 pivotal trends providing sharp insights into their effects both in Turkey and globally Faith Popcorn a visionary futurist meticulously identifies trends that reflect shifting consumer behaviors and expectations These trends are critical as they provide predictive insights into consumer attitudes and market directions aiding businesses and policymakers in anticipating changes and strategizing accordingly Each trend addressed in the book underscores an aspect of consumer behavior driven by deeper psychological social or technological shifts Understanding these trends is vital for organizations aiming to stay competitive and relevant in a rapidly changing world *A Multidimensional Economic Assessment of Africa* Jacob Wood,Olivier Habimana,2020-05-27 This book is a useful resource for government policy analysts academics students of higher education and business practitioners interested in African economies and the key economic issues these economies are facing in 2020 In the face of weak governance and growth globally there is still a window of opportunity for countries in Africa to build on not only their traditional industrial capabilities but also pave the way for positive developments in international trade and in the way governments tackle poverty and inequality By focusing on four areas 1 agriculture and livestock 2 consumption poverty and inequality 3 financial services employment and corporate governance and 4 economic integration international trade and foreign direct investment FDI this book presents a series of empirical studies that examine important contemporary economic issues facing Africa The book incorporates a range of methodological approaches with some chapters providing case study analyses while others embrace more traditional forms of econometric testing **Educating for Values-Driven Leadership** Mary C. Gentile,2013-08-29 Despite four decades of good faith effort to teach ethics in business schools you ll still find today headlines about egregious excess and scandal It becomes reasonable to ask why these efforts have not been working Business faculty in ethics courses

spend a lot of time teaching theories of ethical reasoning and analyzing those big thorny dilemmas triggering what one professor called ethics fatigue But what if faculty stopped focusing on ethical analysis and focused on a new curriculum one that builds a conversation across the core curriculum not only in ethics courses and also provides the teaching aids for a new way of thinking about ethics education This is where Giving Voice to Values GVV comes in the GVV curriculum asks the question What if I were going to act on my values What would I say and do How could I be most effective This book will help faculty across the business curriculum with examples strategies and assistance in applying the GVV approach In addition to an introductory chapter which explains the rationale and strategy behind GVV there are twelve individual chapters by faculty from the major business functional areas and from faculty representing different geographic regions The book is a useful guide for faculty from any business discipline on HOW to use the GVV approach in his or her teaching
