RFID for the Supply Chain and Operations Professional, Second Edition Pamela Zelbst,Victor Sower,2016-07-25 RFID radio frequency identification is increasing its presence in our personal and business lives you name it and RFID is likely to be finding its way there RFID has many advantages over other auto ID technologies including its ability to read tags at the item level while the items are still in boxes and pallets and out of line of sight In addition RFID tags are reusable which helps reduce the costs associated with an RFID system RFID is a technology that can provide decision makers with real time information to result in better and

timelier decisions It can help increase efficiency security and asset control This second edition contains updated information on the technology and its uses new and updated examples and a new case study This book provides readers with no prior knowledge of RFID with the basics of the technology guidelines for considering its use examples of how RFID is being used effectively in a variety of organizations and guidelines for implementing an RFID system **RFID for the Supply Chain and Operations Professional** Pamela Zelbst, Victor E. Sower, 2021-11-04 The intent of this book is to provide a sufficient discussion of RFID to enable readers with no prior knowledge to develop a basic understanding of the technology RFID for the Supply Chain and Operations Professional discusses current applications and specific examples of RFID usage taken from a variety of industries The appropriate coupling of RFID with other technologies such as global positioning systems GPS enterprise resource planning ERP IIoT technologies and robotics is discussed as well as an overview of the RFID implementation process This book will help readers develop an understanding of the capability of the technology to increase an organization's customer responsiveness In the third edition the discussion and examples have been updated to reflect the rapid advancement in RFID technology A new case study and new examples have been added along with updated discussions and projections about RFID technology *Working Mother*, 2000-10 The magazine that helps career moms balance their personal and professional lives Bulletin - U.S. Coast Guard Academy Alumni Association United States Coast Guard Academy.
