The Case For Impeachment:

The Case for Impeachment Allan J. Lichtman, 2017-04-18 NATIONAL BESTSELLER Lichtman has written what may be the most important book of the year The Hill What are the ranges and limitations of presidential authority What are the standards of truthfulness that a president must uphold What will it take to impeach Donald J Trump Professor Allan J Lichtman who has correctly forecasted thirty years of presidential outcomes answers these questions and more in *The Case for Impeachment* a deeply convincing argument for impeaching the 45th president of the United States In the fall of 2016 Allan J Lichtman made headlines when he predicted that Donald J Trump would defeat the heavily favored Democrat Hillary Clinton to win the presidential election Now in clear nonpartisan terms Lichtman lays out the reasons Congress could remove Trump from the Oval Office his ties to Russia before and after the election the complicated financial conflicts of interest at home and abroad and his abuse of executive authority *The Case for Impeachment* also offers a fascinating look at presidential impeachments throughout American history including the often overlooked story of Andrew Johnson s impeachment details about Richard Nixon s resignation and Bill Clinton s hearings Lichtman shows how Trump exhibits many of the flaws and more that have doomed past presidents As the Nixon Administration dismissed the reporting of Bob Woodward and Carl Bernstein as character assassination and a vicious abuse of the journalistic process Trump has attacked the dishonest media claiming the press should be ashamed of themselves Historians legal scholars and politicians alike agree we are in politically uncharted waters the durability of our institutions is being undermined and the public s confidence in them is eroding threatening American democracy itself Most citizens politics aside want to know where the country is headed Lichtman argues with clarity and power that for Donald Trump s presidency smoke has become fire

Congresswoman offers the Watergate investigation as a model for the kind of open wide ranging inquiry that she argues is necessary The New York Review of Books Elizabeth Holtzman has been a principled leader and a persistent voice for equality and accountability since she became the youngest woman ever elected to Congress in 1973 which she remained for forty two years But she saw American democratic ideals and the rule of law in the United States eroding under President Trump And as a member of the House Judiciary Committee that voted to impeach Nixon and one of the members of the Homeland Security advisory council who resigned in protest of President Donald Trump s policy of separating families at the border former Congresswoman Holtzman knows of which she speaks *The Case for Impeaching Trump* establishes the requirements for impeachment as set out by the Constitution and proves that President Trump s actions met those requirements Holtzman

makes the definitive constitutional case that impeachment was justified Elizabeth Holtzman has always been the first and the bravest the smartest and most trusted She is the expert we need to deal with an accidental President who got there as a serial sexual harasser a candidate who lost the popular vote and an unsuccessful businessman who was born on third base and thinks he hit a home run Now what Ask Liz Gloria Steinem Praise for Elizabeth Holtzman A forceful advocate USA Today Considered one of the brightest stars in New York City politics earning a reputation for intelligence and honesty The Washington Post A Watergate hero The New Republic A woman of integrity who lives by her principles Publishers Weekly
