Mark Steyvers

The Collaborative Habit Life Lessons For Working Together:

The Collaborative Habit Twyla Tharp, 2009-11-24 In a career that has spanned four decades choreographer Twyla Tharp has collaborated with great musicians designers thousands of dancers and almost a hundred companies She s experienced the thrill of shared achievement and has seen what happens when group efforts fizzle Her professional life has been and continues to be one collaboration after another In this practical sequel to her national bestseller *The Creative Habit* Tharp explains why collaboration is important to her and can be for you She shows how to recognize good candidates for partnership and how to build one successfully and analyzes dysfunctional collaborations And although this isn t a book that promises to help you deepen your romantic life she suggests that the lessons you learn by working together professionally can help you in your personal relationships These lessons about planning listening organizing troubleshooting and using your talents and those of your coworkers to the fullest are not limited to the arts they are the building blocks of working with others like if you re stuck in a 9 to 5 job and have an unhelpful boss Tharp sees collaboration as a daily practice and her book is rich in examples from her career Starting as a twelve year old teaching dance to her brothers in a small town in California and moving through her work as a fledgling choreographer in New York she learns lessons that have enriched her collaborations with Billy Joel Jerome Robbins Mikhail Baryshnikov Bob Dylan Elvis Costello David Byrne Richard Avedon Milos Forman Norma Kamali and Frank Sinatra Among the surprising and inspiring points Tharp makes in *The Collaborative Habit* Nothing forces change more dramatically than a new partnership In a good collaboration differences between partners mean that one plus one will always equal more than two A good collaborator is easier to find than a good friend If you ve got a true friendship you want to protect that To work together is to risk it Everyone who uses e mail is a virtual collaborator Getting involved with your collaborator s problems may distract you from your own but it usually leads to disaster When you have history you have ghosts If you re returning to an old collaboration begin at the beginning No evocation of old problems and old solutions Tharp s conclusion What we can learn about working creatively and in harmony can transform our lives and our world

The Nature and Nurturing of Collaboration Richard L. Hayes, 2024-04-30 *Nature and the Nurturing of Collaboration* tells the wondrous story of how the natural forces of biological evolution gave way to the co evolution of genes and a nurturing culture that gave rise to us Several million years in the making collaboration is the story of human cultural evolution who we are how we came to be this way and how collaboration enabled humans to dominate the Earth Through a series of genetic accidents disruptive climatic events and changing social condition humans emerged with a set of fortunate adaptations that enabled a general capacity for collaboration Richard L Hayes explains how these adaptations enabled them to work as members of a cultural group in acts of collective intentionality Nurtured through the challenge and support offered by others in close social interaction these capacities enabled the collaborative process of adjusting behaviors and expectations in arriving at mutually determined solutions to mutually defined problems How adults can nurture these

capacities in children how organizations can improve members performance and how individuals can become better collaborators are discussed in this volume How building collaborative communities has advanced our mutual understanding across cultures and ensures that collaboration serves the public good offer a tentative end to the story *Integrating Behavioral Health and Primary Care* Robert E. Feinstein, Joseph V. Connelly, Marilyn S. Feinstein, 2017 Integrated care incorporates behavioral and physical health services into primary care and specialty medical environments These models of care are patient centered population focused and delivered by a multidisciplinary team of medical professionals This book is practical office based comfortably accessible and intended for mental health professionals primary care and medical specialists and professional health students residents and other professionals working in integrated care environments

Developing Story Ideas Michael Rabiger, 2016-07-01 The vast majority of screenplay and writing books that focus on story development have little to say about the initial concept that inspired the piece *Developing Story Ideas The Power and Purpose of Storytelling Third Edition* provides writers with ideational tools and resources to generate a wide variety of stories in a broad range of forms Celebrated filmmaker and author Michael Rabiger demonstrates how to observe situations and themes in the writer s own life experience and use these as the basis for original storytelling This new edition has been updated with chapters on adaptation improvisation and cast collaboration s roles in story construction as well as a companion website featuring further projects class assignments instructor resources and more Gain the practical tools and resources you need to spark your creativity and generate a wide variety of stories in a broad range of forms including screenplays documentaries novels short stories and plays Through hands on step by step exercises and group and individual assignments learn to use situations and themes from your own life experience dreams myth and the news as the basis for character driven storytelling harness methods of screenplay format dialogue plot structure and character development that will allow your stories to reach their fullest potential *The History of Western Dance* Trenton Hamilton, 2015-07-15 From soaring ballet leaps to the simple swaying at a high school prom dance is the wedding of movement to music It is a means of recreation of communication for the purpose of expressing an idea or emotion releasing energy or simply taking delight in the movement itself This engaging narrative with biographical profiles discusses Western dance as an art form a folk tradition and an entertainment spectacle It examines the wide ranging dance types including some of ancient rituals Christian dance ecstasies court and folk dances ballet social dances the waltz ballroom tap modern dance and break and hip hop dancing *Community at Work* Patricia K. Felkins, 2002 Chapters in the first part of this text develop the theoretical and conceptual framework for building community within and among organizations Part two explores the political technological and social processes and part three describes specific contexts in a variety of organizations *Across the Great Divide* Philip Brick, Donald Snow, Sarah van de Wetering, 2001 Amid the policy gridlock that characterizes most environmental debates a new conservation movement has emerged Known as collaborative conservation it emphasizes local

participation sustainability and inclusion of the disempowered and focuses on voluntary compliance and consent rather than legal and regulatory enforcement Encompassing a wide range of local partnerships and initiatives it is changing the face of resource management throughout the western United States Across the Great Divide presents a thoughtful exploration of this new movement bringing together writing reporting and analysis of collaborative conservation from those directly involved in developing and implementing the approach Contributors examine the failure of traditional policy approaches recent economic and demographic changes that serve as a backdrop for the emergence of the movement the merits of and drawbacks to collaborative decision making the challenges involved with integrating diverse voices and bringing all sectors of society into the movement In addition the book offers in depth stories of eight noteworthy collaborative initiatives including the Quincy Library Group Montana s Clark Fork River the Applegate Partnership and the Malpai Borderlands that explore how different groups have organized and acted to implement their goals Among the contributors are Ed Marston George Cameron Coggins David Getches Andy Stahl Maria Varela Luther Propst Shirley Solomon William Riebsame Cassandra Moseley Lynn Jungwirth and others Across the Great Divide is an important work for anyone involved with collaborative conservation or the larger environmental movement and for all those who care about the future of resource management in the West
