The Diviners 1 Libba Bray:

The Diviners Libba Bray, 2012-09-18 It's 1920s New York City. It's flappers and Follies, jazz and gin. It's after the war but before the depression. And for certain group of bright young things, it's the opportunity to party like never before. For Evie O'Neill, it's escape. She's never fit in in small town Ohio, and when she causes yet another scandal, she's shipped off to stay with an uncle in the big city. But far from being exile, this is exactly what she's always wanted: the chance to show how thoroughly modern and incredibly daring she can be. But New York City isn't about just jazz babies and follies girls. It has a darker side. Young women are being murdered across the city. And these aren't crimes of passion. They're gruesome. They're planned. They bear a strange resemblance to an obscure group of tarot cards. And the New York City police can't solve them alone. Evie wasn't just escaping the stifling life of Ohio; she was running from the knowledge of what she could do. She has a secret. A mysterious power that could help catch the killer if he doesn't catch her first. [Lair of Dreams](#) Libba Bray, 2015-08-25 The thrilling supernatural sequel in The Diviners series by #1 New York Times bestselling author Libba Bray. The longing for dreams draws the dead, and this city holds many dreams. After a supernatural showdown with a serial killer, Evie O'Neill has outed herself as a Diviner. With her uncanny ability to read people's secrets, she's become a media darling and earned the title America's Sweetheart Seer. Everyone's in love with the city's newest It Girl, everyone except the other Diviners. Piano playing Henry Dubois and Chinatown resident Ling Chan are two Diviners struggling to keep their powers a secret for they can walk in dreams. And while Evie is living the high life, victims of a mysterious sleeping sickness are turning up across New York City. As Henry searches for a lost love and Ling strives to succeed in a world that shuns her, a malevolent force infects their dreams. And at the edges of it all lurks a man in a stovepipe hat who has plans that extend farther than anyone can guess. As the sickness spreads, can the Diviners descend into the dreamworld to save the city? In this heart-stopping sequel to The Diviners, Printz award-winning and New York Times bestselling author Libba Bray takes readers deeper into the mystical underbelly of New York City. Lights are bright. Jazz is king. Parties are wild. And the dead are coming. After battling a supernatural sleeping sickness that early claimed two of their own, the Diviners have had enough of lies. They're more determined than ever to uncover the mystery behind their extraordinary powers, even as they face off against an all-new terror. Out on Ward's Island, far from the city's bustle, sits a mental hospital haunted by the lost souls of people long forgotten, ghosts who have unusual and dangerous ties to the man in the stovepipe hat, also known as the King of Crows. With terrible accounts of murder and possession flooding in from all over and New York City on the verge of panic, the Diviners must band together and brave the sinister ghosts invading the asylum, a fight that will bring them face to face with the King of Crows. But as the explosive secrets of the past come to light, loyalties and friendships will be tested, love will hang in the balance, and the Diviners will question all that they've ever known. All the
