Growing in Virtue, One Vice at a Time Mary Lea Hill, 2024-05-01 We all have vices But do we use them to grow in virtue With her characteristic humor and authenticity Sister Mary Lea the Crabby Mystic takes readers on a fresh tour of the cardinal Christian and theological virtues and the seven common vices or deadly sins By situating the virtues in relationship to vice Sister Mary Lea supplies practical encouragement for the challenge of Christian living

The Theology of Renewal for His Church Douglas G. Bushman, 2024-01-26 Almost sixty years after Vatican II the question of its interpretation is as lively as ever While numerous theologies of renewal are advanced conspicuously absent is any serious erudition of the text taken by Paul VI John Paul II and Benedict XVI as the hermeneutical key to understanding the Council's goal and method namely Paul VI's encyclical *Ecclesiam Suam* This study corrects this inattention and proposes that Pope Paul's logic of renewal is so profoundly a dimension of divine revelation and of the Church's life that it is not just one theology of renewal among many but the theology of renewal It is thus the key to understanding the Council's authentic pastoral character The logic of renewal sets personal spiritual metanoia as the center path of renewal preceded by the path of doctrinal penetration which assures that renewal is faithful to God and complemented by the path of reinvigorated mission which is the fruit of conversion As the first post Christendom ecumenical council Vatican II addressed the question What does it mean to be the Church of Christ at this point in history Its answer Become what you are Convert into a more perfect realization of your own mystery vocation and mission
