

ADAMANT BREASTPLATE

This sticky-gray breastplate is a priceless, experimentally shoddy piece of armor. It is made from adamant, the lightest yet strongest spell-forged metal alloy, which means it can't be bent or broken, and is impervious. It will stop any blade, even any arrow, and can even hold up under the force of a dragon's breath. The breastplate is a magical item and wealthy lords have been known to employ their mages to acquire it.

It is believed that the priceless armor is somewhere in the present. The last report mentioned a big giant using it like a dipping iron. He was last glimpsed with it somewhere in Koriamb's domain.

HUGO

The only known one goblin is Hugo. He was originally a manufactured goblin, but a powerful enchantment granted him a semblance of life. Over time that silly Hugo is broad-chested and has thick limbs and disproportionately large hands and feet. He has an oblong head with a square jaw and a crude nose, mouth, and ears. His eyes are a pair of vacant hollows that sit beneath a jutting brow. He is noted for tasks that involve heavy labor. Gifted with a rudimentary intelligence, he has developed a will of his own but still obeys commands if he can understand them. Sometimes, those having the command must demonstrate physically what they wish him to do.
