The Guards Jack Taylor 1 Ken Bruen:

The Jack Taylor Series, Books 1-3 Ken Bruen, 2015-12-15 Ken Bruen's explosive Jack Taylor series set in the streets of Galway place him among the greats of modern crime fiction. Now for the first time the first three books in the series are available as an eBook bundle. The Guards Ousted from the Guards Ireland's police force Jack Taylor is stuck in Galway with nothing to look forward to until a dazzling woman walks into the bar with a strange request and a rumor about Jack's talent for finding things. But when Jack agrees he has little idea of what he's getting into. The Killing of the Tinkers Jack's back in Galway a year later falling into his old patterns. But a big gypsy arrives one day during a moment of Jack's clarity and changes all that. Young men of his band are turning up dead in the center of town Jack agrees to look into it knowing but not admitting that getting involved is going to lead to more bad than good. The Magdalen Martyrs Jack Taylor receives a call from Bill Cassell a hard man that Jack owes a favor asking him to track down a woman now either dead or very old. When Jack drags his feet Bill's goons come for him and it becomes clear finding this woman is his only chance to stay alive. *The Guards* Ken Bruen, 2018 It's almost impossible to be thrown out of the Garda but former police detective Jack Taylor has managed it. Following the death of his father Jack finds himself disgraced unemployed and drinking himself into oblivion when he is asked to privately investigate a teenage suicide. The case is one of several successive suicides from the same bridge in Galway and all the victims are teenage females. The Irish police the Guards are quick to dismiss the deaths as coincidences suggesting the bridge has become a destination spot for depressed teens. However when he is approached by Ann Henderson the mother of one of the girls Jack begins to uncover facts that suggest otherwise. Plunged into a dangerous confrontation with the police and a powerful but suspicious businessman Jack finds himself questioning his instincts his motives and who if anyone he can trust. The Guards winner of the Shamus Award for Best Novel and finalist for Edgar Award for Best Novel is the first title in Ken Bruen's best selling crime series featuring Jack Taylor. Praise for Ken Bruen Taylor is a classic figure an ex cop turned seedy private eye. The book's pleasure comes from listening to Taylor's eloquent rants studded with references to songs and books. His voice is wry and bittersweet but somehow always hopeful. Seattle Times Ken Bruen Ireland's first real crime novelist the Godfather of the modern Irish crime novel Bruen writes in machine gun fashion his words verbal bullets that rip through the veneer of the safe bourgeois Catholic society in which he was reared. The acerbic wit and off the wall comments throughout all the books are somewhat reminiscent of the work of Raymond Chandler and Peter Cheyenne. Irish Times Ken Bruen doesn't need a lot of words to tell his tales of perpetually falling Irish angel Jack Taylor he knows the right ones. Bruen gets more done in a paragraph a word even a fragment of a word than most writers get in an entire four hundred page doorstop. If his prose was any sharper your eyeballs would bleed. Mystery Scene One sign of a winning detective series is how much fun the author has with the creation. In the 11th Jack Taylor novel Green Hell Ken Bruen is having a shameless good time. Go ahead crack open Green Hell and have some fun. Shelf Awareness The Taylor

series is generally very pleasurable to read filled with a glorious love of the language and an engaging protagonist who is unlike almost any other It s unclear at this point how many more go arounds Taylor has left in him but it will be a privilege to be with him for as long as he s able Strand MagazineKen Bruen received a doctorate in metaphysics taught English in Africa and then became a crime novelist The critically acclaimed author of ten previous Jack Taylor novels and The White Trilogy he is the recipient of two Barry Awards and two Shamus Awards and has twice been a finalist for the Edgar Award He lives in Galway Ireland

The Guards Ken Bruen,2007-04-01 An Edgar Award Nominee for Best Novel Praised by authors and critics around the globe The Guards is the first novel in the Jack Taylor series and heralded the arrival of prominent Irish writer Ken Bruen as an essential voice in contemporary crime fiction Still stinging from his unceremonious ouster from the Garda Síochána The Guards Ireland s police force and staring at the world through the smoky bottom of his beer mug Jack Taylor is stuck in Galway with nothing to look forward to In his sober moments Jack aspires to become Ireland s best private investigator not to mention its first Irish history full of betrayal and espionage discourages any profession so closely related to informing But in truth Jack is teetering on the brink of his life s sharpest edges his memories of the past cutting deep into his soul and his prospects for the future nonexistent Nonexistent that is until a dazzling woman walks into the bar with a strange request and a rumor about Jack s talent for finding things Odds are he won t be able to climb off his barstool long enough to get involved with his radiant new client but when he surprises himself by getting hired Jack has little idea of what he s getting into Stark violent sharp and funny The Guards is an exceptional novel one that leaves you stunned and breathless flipping back to the beginning in a mad dash to find Jack Taylor and enter his world all over again It s an unforgettable story that s gritty absorbing and saturated with the rough edged rhythms of the Galway streets

Transcultural Insights into Contemporary Irish Literature and Society María Amor Barros-del Río,2024-07-19 Transcultural Insights into Contemporary Irish Literature and Society examines the transcultural patterns that have been enriching Irish literature since the twentieth century and engages with the ongoing dialogue between contemporary Irish literature and society Driven by the growing interest in transcultural studies in the humanities this volume provides an insightful analysis of how Irish literature handles the delicate balance between authenticity and folklore and uniformisation and diversity in an increasingly globalised world Following a diachronic approach the volume includes critical readings of canonical Irish literature as an uncharted exchange of intercultural dialogues The text also explores the external and internal transcultural traits present in recent Irish literature and its engagement with social injustice and activism and discusses location and mobility as vehicles for cultural transfer and the advancement of the women s movement A final section also includes an examination of literary expressions of hybridisation diversity and assimilation to scrutinise negotiations of new transcultural identities In the light of the compiled contributions the volume ends with a revisitation of Irish studies in a world in which national identity has become increasingly problematic This volume presents new insights into the fictional

engagement of contemporary Irish literature with political social and economic issues and its efforts to accommodate the local and the global resulting in a reshaping of national collective imaginaries

The Killing of the Tinkers Ken Bruen, 2005-03-01 Winner of the Macavity Award for Best Mystery Novel Ken Bruen wowed critics and readers alike when he introduced Jack Taylor in *The Guards* now he's back with *The Killing of the Tinkers* a novel of gritty brilliance that cements Bruen's place among the greats of modern crime fiction When Jack Taylor blew town at the end of *The Guards* his alcoholism was a distant memory and sober dreams of a new life in London were shining in his eyes In the opening pages of *The Killing of the Tinkers* Jack's back in Galway a year later with a new leather jacket on his back a pack of smokes in his pocket a few grams of coke in his waistband and a pint of Guinness on his mind So much for new beginnings Before long he's sunk into his old patterns lifting his head from the bar only every few days appraising his surroundings for mere minutes and then descending deep into the alcoholic drug induced fugue he prefers to the real world But a big gypsy walks into the bar one day during a moment of Jack's clarity and changes all that with a simple request Jack knows the look in this man's eyes a look of hopelessness mixed with resolve topped off with a quietly simmering rage he's seen it in the mirror Recognizing a kindred soul Jack agrees to help him knowing but not admitting that getting involved is going to lead to more bad than good But in Jack Taylor's world bad and good are part and parcel of the same lost cause and besides no one ever accused Jack of having good sense

Finders Anjili Babbar, 2023-03-15 Some of the most iconic hard boiled Irish detectives in fiction insist that they are not detectives at all Hailing from a region with a cultural history of mistrust in the criminal justice system Irish crime writers resist many of the stereotypical devices of the genre These writers have adroitly carved out their own individual narratives to weave firsthand perspectives of history politics violence and changes in the economic and social climate together with characters who have richly detailed experiences Recognizing this achievement among Irish crime writers Babbar shines a light on how Irish noir has established a new approach to a longstanding genre Beginning with Ken Bruen's Jack Taylor who rejects the detective title in favor of finder a reference to Saint Anthony of Padua in the context of a traditionally secular form Babbar examines the ways Irish authors including John Connolly Tana French Alex Barclay Adrian McKinty Brian McGilloway Claire McGowan Gerard Brennan Stuart Neville Steve Cavanagh and Eoin McNamee subvert convention to reclaim their stories from a number of powerful influences Revivalism genre snobbery cultural literary standards and colonialism These writers assert their heritage while also assuming a vital role in creating a broader vision of justice
