The Story of Human Spiritual Evolution Richard Ferguson, 2012-10 This book is one of a kind It traces the history of human awareness of God and belief back to its earliest roots long before the Bible the Koran the Upanishads and other writings It shows how the foundation for belief in God was contained within the instant of creation itself Scientists call this the big bang It shows that as the universe developed there came a point in human development where we had the capability to begin to be aware of an afterlife These ideas were primitive by our standards today but they served to create a solid foundation for increasing complex and more thorough understandings of who God is and our relationship with Him This book covers the well known axial age where there was a watershed or flood of prophets and holy men who advanced understandings of both philosophy and theology and science in the hundreds of years before the coming of Jesus Christ In a real sense they prepared the way for God's son and His gospel It is these men who changed the course of human understanding of God with new revolutionary ideas that advanced the self revelation of God to humankind The last part of the book looks at religion today and how we got here and ends with God's view of humanity as we constantly strive toward God on our individual spiritual journeys

[The Pursuit of Human Purpose](#) Sahida Sainato, 2024-07-02 Sahida Sainato has always questioned human purpose since she was little By the time she was eight she understood the deep challenges that came along with finding the answers Years later while working in the fashion industry Sahida Sainato traveled extensively where she began noticing the struggle for human survival without any idea that this compassionate understanding would

only deepen and eventually lead her on a thoughtful search for the truth about purpose As she details her determined journey to find the answers Sahida shares how she reconnected with her eight year old self and experienced a profound moment of awareness that prompted a series of questions to better understand the reason for separation from God being spirits within a human vehicle and in a material world contrary to His spiritual world While realizing that many events in her life had been orchestrated and that we live in unprecedented times where truths are emerging and coming to light she reveals how she embraced the extraordinary experiences that occurred during her journey and throughout her life as they connected like a puzzle and led her to astounding and unimaginable discoveries The Pursuit of Human Purpose details one woman s incredible quest to find the answers to a complex question that ultimately unveiled a manifestation of love *A Seven Year Cycle*

unquestionable origin texts authentic to the time Contained here are several remarkable references to the lives of the Saints the birth of the Virgin her marriage with Joseph the nativity of Jesus and the miracles of his infancy his laboring with Joseph in the carpentry trade and the actions of his followers Mesmerizing and artfully written enjoy these stories that were excluded from Scripture The Lost Books of the Bible helps expand our knowledge of the early Christians and helps us better appreciate the texts that were chosen *Enoch, Jubilees, Jasher* Joseph Lumpkin, 2014 Three of the most popular and sought after apocryphal books are now presented in a single volume The Book of Enoch is quoted by Jude cited by Peter and read by the apostles Enoch 1 Enoch informs our ideas of angels and demons The book describes the fall of a group of angels called the Watchers who took the daughters of men as wives and fathered the Nephilim Genesis 6 1 2 Enoch goes on to record amazing visions of heaven and the workings thereof Enoch is an ancient Jewish religious work traditionally ascribed to Enoch the great grandfather of Noah It is regarded as canonical by the Ethiopian Orthodox Church The Book of Jubilees also known as The Little Genesis and The Apocalypse of Moses opens with an extraordinary claim of authorship It is attributed to the very hand of Moses penned while he was on Mount Sinai as an angel of God dictated to him regarding those events that transpired from the beginning of the world The story is written from the viewpoint of the angel The angelic monolog takes place after the exodus of the children of Israel out of Egypt The setting is atop Mount Sinai where Moses was summoned by God The text then unfolds as the angel reveals heaven's viewpoint of history We are lead through the creation of man Adam's fall from grace the union of fallen angels and earthly women the birth of demonic offspring the cleansing of the earth by flood and the astonishing claim that man's very nature was somehow changed bringing about a man with less sinful qualities than his antediluvian counterpart The story goes on to fill in many details in Israel's history ending at the point in time when the dictation began on the mount The Book of Jasher reveals a large quantity of additional information about the period between divine creation and the time of Joshua's leadership over Israel when the Israelites enter into the land of Canaan The Book of Jasher includes details about the antediluvian patriarchs angels watchers the flood the tower of Babel and many other events mentioned in the Bible The tales are expanded and infused with detail not previously available This means we receive insight into the lives of Abraham Noah Enoch Joseph and many other biblical figures We come to understand how they became great and why they acted as they did We are also given hitherto unknown knowledge of historical events We are shown how God's hand shaped history through his love and anger We see how his disappointment with men and angels ended in earth's near total destruction **The Lost Book of Enoch** Joseph B. LOST BOOKS OF THE BIBLE., 2020 [The Lost Books of the New Testament](#) Joseph B. Lumpkin, 2008 The Lost Books of the New Testament The Gospel of Judas The Gospel of Philip The Gospel of Mary Magdalene The Gospel of Thomas The 29th Chapter of Acts The Epistle of Barnabas The Epistle of Paul to the Laodiceans The Gospel of Nicodemus The Lost Gospel of Peter *The Lost Books of the Bible and The Forgotten Books of Eden* Rutherford H Platt, Jr, 2021-07-06 The Lost Books

of the Bible is a collection of 17th and 18th century English translations of Apocryphal biblical texts by William Wake and Jeremiah Jones which was first gathered together by William Hone and published collectively in 1820. Supposedly these texts were excised from the official biblical canon over the first few centuries of Christianity. Included in this collection are various accounts of Jesus, his birth and infant life, and epistles of various disciples and other biblical figures. The Lost Books of the Bible is an essential work for students of biblical history which provides depth and historical context for many of the events regarding Jesus' life depicted in the New Testament. Also included in this volume is The Forgotten Books of Eden, which includes additional Apocryphal texts regarding Adam and Eve as well as biblical works attributed to Enoch, Solomon, and others. If and for what reason these texts were stricken from the official canon by the fathers of the church is not known; however, contemporary source material does reliably date many of these texts to at least the 2nd century AD, if not earlier, thus giving them a provenance that can at the very least assert these documents as important in the development of the biblical canon. This edition is printed on premium acid-free paper and follows the 1926 editions edited by Rutherford H. Platt Jr.
