M. H. Atwater,2012-10-24 Our species is evolving in preparation for the new world on the horizon Explains how the increase in intuitive creative and abstract thinking abilities of children as well as incidences of ADHD dyslexia and autism signal evolutionary changes at work in humanity the emergence of the Fifth Root Race Connects the appearance of these traits with ancient myths and evolutionary calendars as well as predictions by Teilhard de Chardin Edgar Cayce and other visionary seers Reveals how these new kids act as agents for world change by reflecting back every misguided aspect of business politics religion and culture The past 30 years have seen a quantum leap in the intuitive creative and abstract thinking abilities of children as well as an unprecedented rise in incidences of ADHD dyslexia and autism spectrum disorders As P M H Atwater explains we are witnessing evolution at work The changes in consciousness and brain function evident in these new kids signal the widespread emergence of the Fifth Root Race and fortuitously coincide with our transition into the Fifth World Providing a resource for parents and new kids themselves Atwater explains what is happening to our species and our world from neurological changes and climate upheavals to the drive to be constantly connected through screen based technology and the unnecessary widespread use of drug therapies Sharing individual case histories underscoring the traits of the new child personality she reveals how these children born with universal consciousness encoded in their DNA act as agents for world change by reflecting back every misguided aspect of business politics religion entertainment technology and culture so we can t ignore what needs to be repaired Atwater shows how children labeled as autistic or otherwise damaged

have enormous potential for greatness Connecting recent events and cultural shifts with creation myths evolutionary calendars and historical records from every culture as well as predictions by Teilhard de Chardin Sri Aurobindo Edgar Cayce and other visionary seers Atwater shows how the genetic shift now occurring follows the Rule of Thirds in its progression Exploring timelines for the next several hundred years she explains that the coming new world will be tailored specifically for the new kids who will lead the way in the Great Shift from old world to new *Live Your Sunshine* Lesley

MacCulloch,2017-07-11 We are brought up in a world where living in fear is both encouraged and accepted Its normal to feel doubt to feel guilt to feel anger to feel a failure Its normal to lack enjoyment self confidence and fulfilment Its normal to live our lives according to what other people want of us or what we think other people want of us and to feel that in a world where we constantly criticise and compare were simply not good enough But good enough for what And in whose view Its time to turn that thinking around You are good enough You were born with confidence and a healthy self esteem You were born to smile more You were born to feel ease to feel well and to listen to your heart and your intuition And you can reconnect with that you You can live true to yourself and you can feel contentment joy and harmony You can find peace acceptance and inner strength You are perfect human worthy You are special You are you and the world needs you Free the spirit thats still burning deep inside you and shine You are and you can **What on Earth Are We Doing Here?** Elaine A.

Piha,2011-03-15 What on Earth Are We Doing Here Exploring the Case for Human Suffering by Elaine A Piha C C M A Book Description Have you ever watched the evening news and wondered why there is so much pain and destruction in our world Have you ever wondered why so many bad things happen to seemingly good people perhaps yourself So often when something bad happens it appears to be nothing more than meaningless suffering But what if your challenging experiences were actually loaded with hidden meaning meaning that you yourself selected before you were even conceived Could it be that you are the sole entity responsible for your circumstances that no other source is to blame for your current state of affairs We plan our life challenges before birth in a process called pre birth planning not for the mere principle of enduring pain but for the personal growth that it affords our soul Thus human suffering has the noble purpose of teaching compassion as we each travel our own spiritual path Giving meaning to our suffering is vital to our growth as a whole Understanding the adversity in our lives leads to personal acceptance freedom and fulfillment Feelings of fear anger and resentment are replaced with the motivation to extract as much meaning as possible from each earthly experience This shift removes us from the victim role and places us in the driver s seat of our own lives **Lasting Happiness: Secrets of the Heart, Mind & Spirit Revealed** T. M.
