The Mughal State 1526 1750 Muzaffar Alam Sanjay:

The Mughal State, 1526-1750 Muzaffar Alam, Sanjay Subrahmanyam, 1998 The Mughal state has since the time of its existence exercised a compelling effect on observers A rich historiography in Indian and European languages has long existed and in the present century debates have raged concerning its character and the implications for the longer term trajectory of the subcontinent This book brings together some of the key interventions in that debate while its detailed introduction surveys the main positions and outlines possibilities for future research It is the outcome of the collaboration of two scholars one a leading specialist on Mughal studies the other a social and economic historian of the early modern Indian Ocean world and southern India *The Princes of the Mughal Empire, 1504-1719* Munis D. Faruqi, 2012-08-27 For more than 200 years the Mughal emperors ruled supreme in northern India How was it possible that a Muslim ethnically Turkish Persian speaking dynasty established itself in the Indian subcontinent to become one of the largest and most dynamic empires on earth In this rigorous new interpretation of the period Munis D Faruqi explores Mughal state formation through the pivotal role of the Mughal princes In a challenge to previous scholarship the book suggests that far from undermining the foundations of empire the court intrigues and political backbiting that were features of Mughal political life and that frequently resulted in rebellions and wars of succession actually helped spread deepen and mobilise Mughal power through an empire wide network of friends and allies This engaging book which uses a vast archive of European and Persian sources takes the reader from the founding of the empire under Babur to its decline in the 1700s **Writing the Mughal World** Muzaffar Alam, Sanjay Subrahmanyam, 2011-08-30 Between the mid sixteenth and early nineteenth century the Mughal Empire was an Indo Islamic dynasty that ruled as far as Bengal in the east and Kabul in the west as high as Kashmir in the north and the Kaveri basin in the south The Mughals constructed a sophisticated complex system of government that facilitated an era of profound artistic and architectural achievement They promoted the place of Persian culture in Indian society and set the groundwork for South Asia's future development In this volume two leading historians of early modern South Asia present nine major joint essays on the Mughal Empire framed by an essential introductory reflection Making creative use of materials written in Persian Indian vernacular languages and a variety of European languages their chapters accomplish the most significant innovations in Mughal historiography in decades intertwining political cultural and commercial themes while exploring diplomacy state formation history writing religious debate and political thought Muzaffar Alam and Sanjay Subrahmanyam center on confrontations between different source materials that they then reconcile enabling readers to participate in both the debate and resolution of competing claims Their introduction discusses the comparative and historiographical approach of their work and its place within the literature on Mughal rule Interdisciplinary and cutting edge this volume richly expands research on the Mughal state early modern South Asia and the comparative history of the Mughal Ottoman Safavid and other early modern empires India and the Early Modern World Jagjeet

Lally,2023-12-20 India and the Early Modern World provides an authoritative and wide ranging survey of the Indian subcontinent over the fifteenth to eighteenth centuries set within a global context This book explores questions critical to our understanding of early modern India How for instance were Indians religious beliefs their ways of life and the horizons of their learning changing over this period What was happening in the countryside and towns to culture and the arts and to the state and its power Were such experiences comparable or linked to those in other parts of the world Can we speak of a global early modernity therefore within which India played an important role Organised thematically each chapter engages with such key issues debates and concepts covering wide ground as it connects compares and contrasts developments witnessed across early modern South Asia to those around the globe Drawing on the fruits of research in numerous fields over the past fifty years and rich in detail India and the Early Modern World is a pathbreaking volume written engagingly and accessibly with scholars students and non specialists in mind **Empire in Asia: A New Global History** Jack Fairey,Brian P.

Farrell,2018-06-28 Asia was the principle focus of empire builders from Alexander and Akbar to Chinggis Khan and Qianlong and yet until now there has been no attempt to provide a comprehensive history of empire in the region Empire in Asia addresses the need for a thorough survey of the topic This volume traces the evolution of a constellation of competing empires in Asia from the 13th through to the 18th centuries Separate chapters will describe the history and characteristic features of imperial regimes in each major sub region of Asia from the Ottomans and Safavids in the West Romanovs in the North Mughals in the South the Mongols their successors in Inner Asia to the Ming and Qing Dynasties in the East The contributors address common questions in considering the various empires including How did imperial Asian states understand themselves and their place in the world How were these empires constructed and how did they attain such prominence To what extent did imperial repertoires of rule differ The two volumes of Empire in Asia offer a significant contribution to the theory and practice of empire when considered globally and comparatively and are essential reading for all students and scholars of global imperial and Asian history *South Asia's Modern History* Michael Mann,2014-10-24 This comprehensive history of modern South Asia explores the historical development of the Subcontinent from the beginning of the eighteenth century to the present day from local and regional as opposed to European perspectives Michael Mann charts the role of emerging states within the Mughal Empire the gradual British colonial expansion in the political setting of the Subcontinent and shows how the modern state formation usually associated with Western Europe can be seen in some regions of India linking Europe and South Asia together as part of a shared world history This book looks beyond the Subcontinent s post colonial history to consider the political economic social and cultural development of Pakistan and Bangladesh as well as Sri Lanka and Nepal and to examine how these developments impacted the region s citizens South Asia s Modern History begins with a general introduction which provides a geographical environmental and historiographical overview This is followed by thematic chapters which discuss Empire Building and State Formation Agriculture and Agro

Economy Silviculture and Scientific Forestry Migration Circulation and Diaspora Industrialisation and Urbanisation and Knowledge Science Technology and Power demonstrating common themes across the decades and centuries This book will be perfect for all students of South Asian history

A Lamp for the Dark World Parvati Sharma, 2023-05-15 Akbar the Great is a very familiar figure to most Indians Hailed as a brilliant warrior a great administrator and a visionary ruler whose ideas of pluralism and tolerance sought to unify India with all its diversity of peoples and religions he is also an increasingly contested figure in the national discourse And familiar though he might be Akbar is a mystery too locked in his own legend a man to admire but difficult to know What was Akbar really like as a child a father a friend a foe What were his moods like his anger his melancholy his passions and his laughter How did a thirteen year old fatherless boy surrounded by ambitious advisors and warlords become one of the world's most powerful monarchs and how did he deal with his dizzying rise Was Akbar a sceptic or did he believe he had divine miraculous powers With revealing psychological insights into Akbar's complex and magnetic personality this biography is also the story of how Akbar's ideas and ideals of kingship evolved through his reign of how he came to concentrate in himself both political and religious authority of his instances of megalomania his doubts and his yearning for justice Rich in detail and with a cast of unforgettable characters it sparkles with humor and drama too as it vividly evokes the world he lived in Deeply researched and beautifully written Parvati Sharma's portrait of Akbar the Great brings alive as never before a man imperfect and extraordinary who ruled for fifty years and has lived in the Indian imagination for close to half a millennium

Islam and the Mughal State Salma Ahmed Farooqui, 2005 This Book Focuses On The Islamic Presence As A Strong Factor In Determining Medieval State Societal Relationships

The Agrarian System of Mughal India, 1556-1707 Irfan Habib, 1999 The first edition of this book published in 1963 presented a mass of critically analyzed material on the agrarian condition of pre colonial India a subject which until then had received little attention Many of its key findings particularly those concerning administrative institutions and the position of the zamindars have become standard tools in the field This revised and updated edition draws on extensive new research by the author and others and it presents much that is new in both description and perception It also includes an expanded bibliography a new descriptive index and new illustrations and maps

The Cultures of History in Early Modern India Kumkum Chatterjee, 2009 This volume explores two themes historical traditions in early modern India et Mughal political culture as manifest in the cultures of history writing in Bengal It analyses the interaction between Islamic cultural traditions in the South Asian sub continent with Indic vernacular traditions
