with Mama Li's best recipes. Mama Li showed me everything I know about cooking Asian foods. One of the fondest memories I have from Mama Li was helping her make dumplings, egg rolls, and spring rolls for a friend's wedding. It was a family affair, and everyone was helping out. We were doing everything from rolling the dough, making the shapes, making the fillings, folding the egg rolls, spring rolls, and dumplings, just right, cooking them, and finally getting them packed and ready to go. We had made what seem to me to be thousands of them. She had 12 different kinds of filling, and each one had a different shape. It took us two full days to make all these little packets full of goodness. Some she would fry, others would be steamed, and some were just baked in the oven. They were all done from scratch. For those two days, we ate, lived, and laughed. Dumplings. They were the best that I had ever tasted. It has become a tradition in our family to cook like Mama Li. In this book, you will find a collection of her best recipes for egg rolls, spring rolls, and dumplings, and a few bonus recipes. They are filled with flavors from Asia, delicate and so fragrant. The ingredients are fresh, healthy, and wholesome. They are easy to find. If you happen to be living near an Asian market, don't hesitate to visit and get some of your ingredients there. It will make it even more authentic. In this book, you will find everything you need to know about making delicious home-made egg rolls, spring rolls, and dumplings, including how to make the dough for egg rolls, spring rolls, and dumplings, how to make fillings, the basic techniques including rolling, cutting, and folding the dough for egg rolls, spring rolls, and dumplings, how to stock your pantry with the basic ingredients you will need to make egg rolls, spring rolls, and dumplings. Five bonus recipes for making the most popular appetizers in Chinese restaurants, including garlic spare ribs and shrimp toasts. So let's get cooking. Grab your copy today.
