Ask Me Anything:

Ask Me Anything Bethany Rutter,2025-11-06 A gorgeously sassy campus set romcom where problem pages and parties turn enemies to lovers As Mary Elizabeth starts her second year at university in London she has set her sights on Felix Balfour the charming very sexy and outwardly feminist editor of the university magazine This is where she writes Ask M E Anything a column full of perky optimistic advice for the lovelorn As for her own love life she only wants a little no strings fling with Felix and of course she ll be able to pull that off Fun times ahead Meanwhile annoying grump Laurie from the uni newspaper the university s more highbrow and serious publication just seems to be a thorn in her side After mocking her at a Quad Media mixer party he seems to be continuing to mock her from the newspaper s own problem page an idea they ve stolen from the magazine and made much less fun Mary Elizabeth is sure the newspaper s brutal responses to the same problems she s tackling could only be penned by Laurie Mary Elizabeth is certainly prejudiced against proud seeming Laurie But when Mary Elizabeth loses her way and the fun times with Felix start to sour Laurie is always there to pick her up and not asking for anything in return But surely Laurie isn t the answer to her problems Ask Me Anything DK,2011-09-01

Waking from the Dream Sam Fulwood, III, 1997-05-19 Sam Fulwood was an integration baby He came of age during the post civil rights era a time when middle class blacks many carrying the scars of segregation and the struggles of the movement wholeheartedly embraced a belief in the unlimited possibilities available to the new generation The son of educated prosperous parents Fulwood shared their dreams he excelled at integrated schools and believed in the promise of a color blind America *Waking from the Dream* is the powerful chronicle of his disillusionment with that dream Like other high achieving black men and women who defied the assumptions of society to become respected members of their communities and professions Fulwood learned that assimilation into mainstream America was at best superficial at worst a betrayal of his own individuality and values He realized that race would always be the most vital component of his identity one that would continue to define him in a suspicious often hostile white world As he describes his move into the self protected isolated cocoon of the black middle class a world separate from poor blacks and all whites Fulwood issues a strong warning I can't escape the thought that white America which stopped short of embracing middle class blacks at the moment we wanted inclusion may have already lost its opportunity

House of the Rising Sun Kristen Painter, 2016-03-22 Every vampire has heard rumor of the mythical place where their kind can daywalk But what no vampire knows is that this City of Eternal Night actually exists And its name is New Orleans For centuries the fae have protected the city from vampire infestation But when the bloodsuckers return the fragile peace in New Orleans begins to crumble Carefree playboy Augustine and Harlow a woman searching for answers about her absent father are dragged into the war The fate of the city rests on them and their fae blood that can no longer be denied Book one in the brand new action packed urban fantasy Crescent City series from award winning House of Comarre author Kristen Painter
