

Memo #1

To: All Branch Managers
From: Director of Marketing
Date: January 14, 1997
Re: Marketing Reps.

It has come to my attention that some of you people don't know exactly what a Marketing Rep is or what duties are included in the position of Marketing Rep and as to why it is necessary for us to hire any to begin with. A Marketing Rep's primary job is to bring in clients. He/she then needs to keep said clients happy. If he/she is not keeping said clients happy then said clients will no longer do business with us and the Marketing Rep is not doing his/her job correctly. The question has been posed, "How do you get clients?" That's the Marketing Reps job and that's what we hire them for. In the future please forward all questions of this and like nature to me, the Director of Marketing. Thank you.
