Association Island Timothy W. Lake, 2013 Most people believe the General Electric retreat at Association Island was organized by GE In reality it was originally formed by several businessmen from the incandescent lamp industry these men formed an association of lamp companies to compete with GE A 1903 fishing trip to Henderson Harbor inspired them to purchase the island for their summer sojourns however ownership of the association and the island were eventually absorbed by GE turning it into a full scale resort for executives and managers of the ever expanding corporation Hotels restaurants garages boats fishing guides managers and maintenance workers from nearby Henderson Harbor were all tied to Association Island for the next 50 years When GE gave it away Association Island fell into a long and steady period of decline until it was turned into a camping resort for the 21st century Association Island illustrates the financial and social impact of a significant corporation on a small fishing community **Trust Territory of the Pacific Islands , Department of State**

The Company's Island Stephen Royle, 2008-01-02 As English adventurer Francis Drake and his contemporaries opened up seaborne trade with Asia and the East so dreams of untold wealth fuelled the appetites of European nations A new form of co operation arose between governments and entrepreneurs the merchant company Vital to the entire commercial and colonial endeavour part of the story of Empire lies in the outposts they established The Company s Island focuses upon one such company colony St Helena With no indigenous population on the island the East India Company

had to establish a society from scratch but far from settling in love and amity a repressive and turbulent regime ensued The civilian population rebelled the garrison mutinied assassinating the governor and a rebellion by black slaves was savagely punished The result is a vivid compelling tale involving issues of race morality gender trade and defence within the context of Empire Drawing on new archival material the author sheds fresh light on an important yet little known aspect of the colonial endeavour **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986**

Lake,2012 On Lake Ontario s eastern shore surrounded by forested bluffs and deep navigable water Henderson Harbor and Henderson evolved into a fishing and boating paradise The lucrative smallmouth black bass fishing attracted visitors and continues to draw fishermen to this day Members of the National Electric Lamp Association enjoyed their encampments at Henderson Harbor so much in the early 1900s they purchased an island that became the summer retreat for thousands of General Electric executives and employees Lake Ontario s stormy weather required a rescue station on the sandy beach near Henderson Harbor and during Prohibition the Big Sandy Coast Guard captured some of the most notorious rumrunners on the lake In Henderson the Army s rifle and gunnery range became the private reserve for a beer baron and his son and is now a jewel of the New York State Park system Henderson Harbor and Henderson chronicles the history and charm that has drawn residents and visitors alike to this area for decades **Image Worlds** David E.
